Edith Cavell Building  
Visitor Car Park

**Directions from A47:** Turn off on to the B1108 towards Norwich. At the second set of traffic lights turn right towards the N&N Hospital, go along until you approach a roundabout. Take the third exit at the

roundabout (as you approach the roundabout, if you look to your right you will see a large white building which is the Edith Cavell) **Our visitors car park is situated on the right hand side just before the Busy Bees Day Nursery.**

**Directions from A11:** When you approach the Thickethorn Junction, at the roundabout take the exit signposted A11 (Norwich). At the next roundabout take the first exit

signposted to the N&N Hospital. This road takes you through some new housing areas and there is only one route through a series of roundabouts. The last roundabout of the series will take you left and then downhill. At the roundabout at the bottom of the hill you will see ahead of you our Edith Cavell Building (Large white building) and the Hospital slightly to your left. **At the roundabout take the second exit off that roundabout and first right into our visitors car park.**
