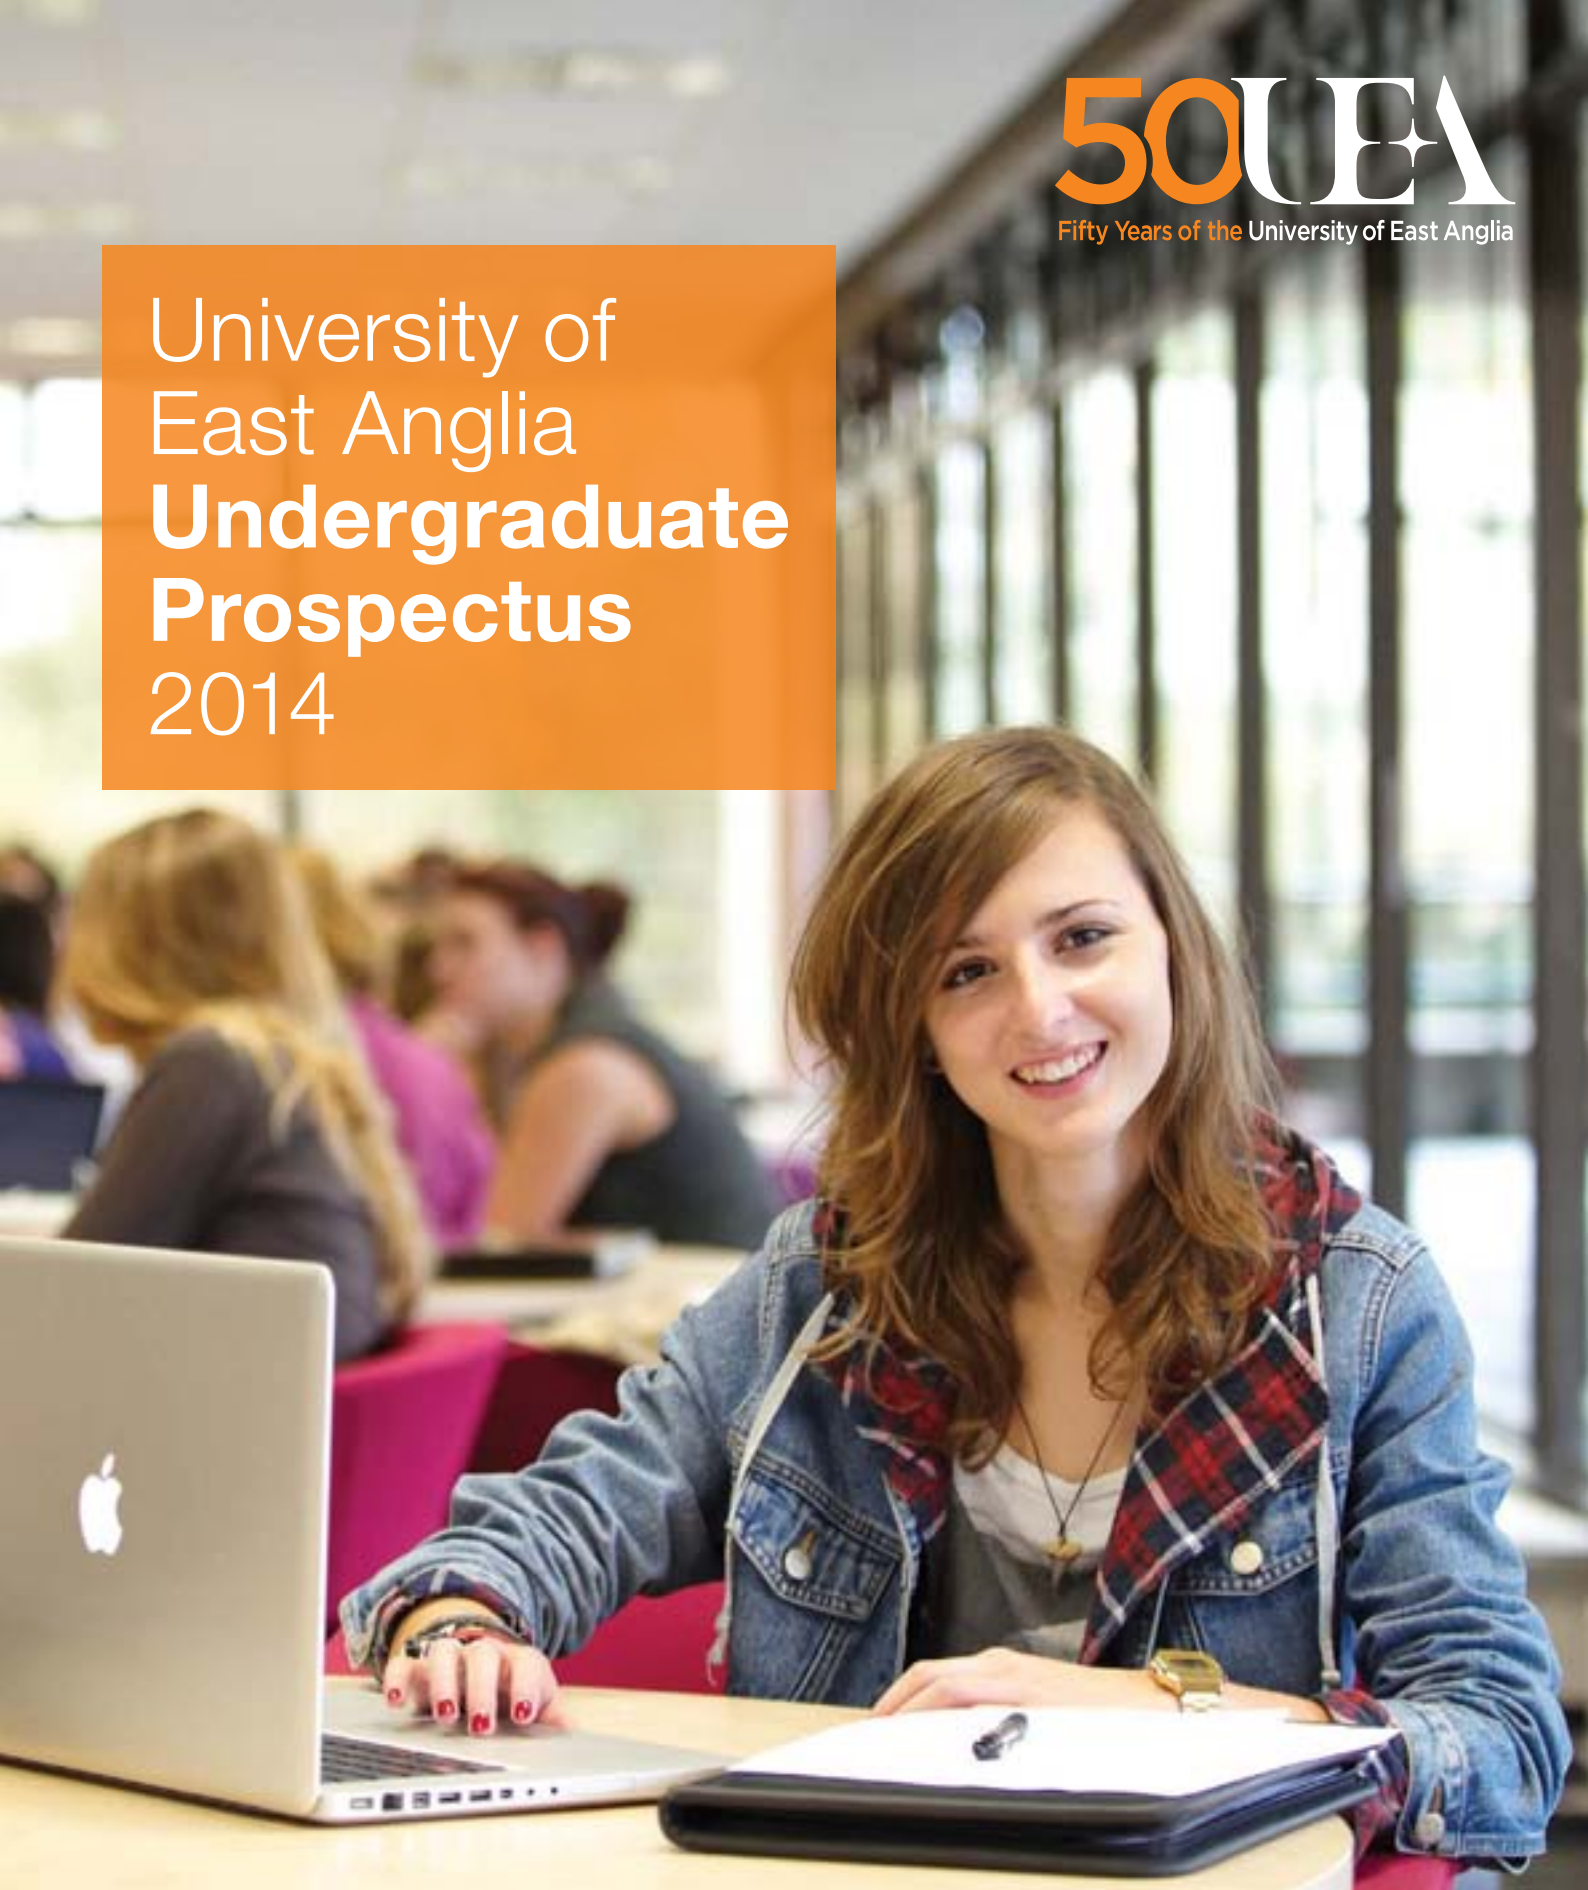
50UEA
Fifty Years of the University of East Anglia

# University of East Anglia **Undergraduate Prospectus** 2014



We want this book to be the most important you ever read. Why? Because we believe that the University of East Anglia is the perfect place to live and learn. A centre of teaching excellence and world-leading research UEA is a safe and friendly, international campus situated in one of Britain's most beautiful and historic cities. Over the following pages you will discover why we, and most importantly our students, believe UEA is truly unique. So could this be the most important book you ever read?
