

INTERNATIONAL NETWORK FOR THE HISTORY OF HOSPITALS

MEMBERS' INTERESTS: AUGUST 2008

CONVENERS

Professor John Henderson

School of History, Classics and Archaeology, Birkbeck College, Malet Street, Bloomsbury, London. WC1E 7HX.

Medicine in late medieval & early-modern Italy; epidemic disease (plague, syphilis); hospitals in Renaissance and early modern Tuscany; and health, disease and the environment

j.henderson@bbk.ac.uk

Professor Olwen Hufton

Merton College, Oxford, UK.

European witchcraft, poor in 18th century France

olwen.hufton@merton.oxford.ac.uk

Professor Guenter Risse

933 NW Richmond Beach Road, Seattle, WA 98177 3219, USA

History of Hospitals, with emphasis on clinical aspects, including medical therapies and hospital life, relationships with care givers, hospital space and its influence on patients and outcomes of treatment

profgrisse@comcast.net

SECRETARIAT

Dr Christopher Bonfield

School of History, UEA, Norwich, NR4 7TJ.

History of Hospitals, with emphasis on music as liturgy.

inhh@btinternet.com

ADVISORY BOARD

Professor Annmarie Adams

School of Architecture, McGill University, 815 Sherbrooke St. West, Montreal, Quebec, Canada, H3A 2K6

19th and 20th century hospital architecture

aadams4@po-box.mcgill.ca

Professor Harm Beukers

Dept. of the History of Medicine, University of Leiden, Wassemaarseweg 62, POB 2087, Leiden, The Netherlands.

H.Beukers@lumc.nl

Professor Anders Brandstrom

Umea Universtitet, Historik Demografi, 90187 Umea, Sweden.

ABR@ddb.umu.se

Professor Linda Bryder

History Dept, University of Auckland, Private Bag 92019, Auckland Maternal and infant health, inc. maternity and children's hospitals especially in New Zealand; tuberculosis and sanatoria

l.bryder@auckland.ac.nz

Dr Steve Cherry

School of History, University of East Anglia, Norwich, NR4 7TJ, UK.

20th century hospital finance in Britain, working-class participation in hospitals, asylums

s.cherry@uea.ac.uk

Professor Peregrine Horden

Dept. of History, Royal Holloway, University of London, Egham TW20 0EX
Hospitals in their demographic context; sociology of medical practice,
Byzantine East & European North-West in early Middle Ages
p.horden@rhbnc.ac.uk

Professor Joel D. Howell, MD

UM Clinical Scholars Program, 6312 Medical Science Bldg 1, 1150 W.
Medical Centre Drive, Ann Arbor, Michigan, 48109-0604
Technology in late 19th & 20th century US & English hospitals
jhowell@umich.edu

Professor Colin Jones

Queen Mary, University of London, Mile End Road, London, E1 4NS
Medical, hospital & nursing history of France, 17th-19th centuries
c.d.h.jones@qmul.ac.uk

Professor Alfons Labisch

Institut für Geschichte der Medizin, Heinrich Heine Universität Düsseldorf,
Postfach 101007, Düsseldorf, D-40001, Germany.
hstmed@uni.duesseldorf.de

Professor Alessandro Pastore

Istituto di Storia, Università degli Studi di Verona, via san Francesco 22,
37129 Verona, Italy.
Hospitals & poor relief in early modern Italy; medical profession 15th-18th
century
apastore@mail.univr.it

Professor Carole Rawcliffe

School of History, University of East Anglia, Norwich, NR4 7TJ, UK.
Social history of medicine in late-medieval England; hospital provision in
medieval East Anglia; leprosy & leprosaria; St. Giles' Hospital, Norwich,
1249-1550
c.rawcliffe@uea.ac.uk

Professor Francois-Olivier Touati

Department de l'Histoire, Faculte de Lettres et Sciences Humaines,
Universite de Paris XII, Avenue de General de Gaulle, 94010 Creteil
Cedex, France
History of disease, hospitals and medicine in the Middle Ages.

Dr Keir Waddington

Department of History, Cardiff University, PO BOX 909, Cardiff, UK
19th C hospital finance, development of teaching hospitals, 20th century
history of psychiatry, medical charity, bovine tuberculosis
waddingtonk@cardiff.ac.uk

Professor John Warner

Yale University Medical School, Section of the History of Medicine, L130
SHM, P.O. Box 208015, New Haven, Connecticut, 06529-8015, USA.
Clinical practice of narrative & epistemological, aesthetic, technical and
moral choices involved in the transformation of patient records (esp. in
USA), 1800- present; memorialisation in medicine; idea of science in
clinical medicine; performance and identity in medical culture.
john.warner@yale.edu

Dr John Woodward

Health care in 19th century Britain, hospices
jh.woodward@tiscali.co.uk

MEMBERS

Dr Louise Gray

Wellcome Institute for the History of Medicine at UCL, 210 Euston Road, London. NW1 2AD

German asylums; rural hospitals in early modern Hesse, Germany; chronic illness among pauper patients in hospitals

Milay@btinternet.com

Professor William Abbott

Department of History, Fairfield University, Fairfield, Connecticut, USA 06430-5195

Vivisection as a political issue in late nineteenth-century Britain; Victoria Street Society

wmabbott@fair1.fairfield.edu

Christoph Lee Ahlstrom

Conception Seminary College, PO Box 502, Conception, MO, USA 64433

Twenty-first century health-care administration

Ahl82@hotmail.com

Cuneyt Akbulut

Kehribar soka, 11/2 gop, 06700 Ankara, Turkey

Dr Giuliana Albini

Universita degli Studi di Milano, Istituto di Storia Medioevale e Moderna, via Festa del Perdono 7, Milano, 20122, Italia.

Hospitals in Lombardia, Parma & Milan, 11th-15th century

Dr Robert Allan

Queen Elizabeth Hospital, Edgbaston, Birmingham, B15 2TH, UK.

Birmingham teaching hospitals, 1700-2000

Robert.Allan@uhb.nhs.uk

Yasser H Ali

Medical Engineering Department, College of Engineering, Saddam University, Baghdad, Iraq

Hospital planning and design, especially ophthalmological hospitals; general biomedical engineering projects and abstracts

asso@000email.com

Herbert M Amatsimbi

Dept. of History, University of Nairobi, PO BOX 30197, Nairobi, Kenya

20th century missionary hospitals

Dr Stuart Charles Anderson

London School of Hygiene & Tropical Medicine, Keppel St, London WC1E 7HT, UK.

Pharmacy & medicine; oral history of British pharmaceutical practice; drug safety

Stuart.Anderson@lshtm.ac.uk

Dr Jonathan Andrews

Oxford Brookes, School of Humanities, Gypsy Lane Campus, Headington, Oxford, OX3 0BP, UK.

History of psychiatry; asylums in Britain; criminal insanity in 19th century

jandrews@brookes.ac.uk

Professor Geoffrey Applebaum

2164 Balsam Avenue, Los Angeles, CA 90025 USA

American hospitals and healthcare systems

gappleba@earthlink.net

Dr Eric Gruber von Arni

11 Park Lane, Swindon, Wiltshire, SN1 5HG, UK

military nursing, military hospitals in the 17th and 18th centuries

eegva@aol.com

Jose Luis Ausin

C/ Vinyals 67, 5-2 08041 Barcelona, Spain

Factors that influence evolution of 19th century hospitals

jlausin@ics.scs.es

Christopher Azuine

Department of Architecture, University of Nigeria, Enugu Campus, Enugu, Nigeria
Hospital architecture
chrystopha@yahoo.com

Bahar Azwar

Complex Ujoun Berung Indah Blok 8/1, Bandung, Indonesia 40611
Medico-legal role of hospitals

Jaejoong Baik

Department of Internal Medicine, National medical Centre, 18-79, Ulgiro 6-ga, Jung-gu, Seoul, 100-799 Korea

Eduardo Balbo

3 Illescas, 83 10C, 28024, Madrid, Spain
History of psychiatric and asylum hospitals.
balbo@digimed.es

Linda Barboa

1609 31st Street, Rio Rancho, NM 87124, USA
Evolution of hospitals in the United States
lbarboa@phs.org

Dr Wilhelmma Baron

Domela Nieuwenhaus Weg 5g A, 9245 VC NIJ Beets, The Netherlands
History of medicine and healthcare; public health, especially 19th century; research hospitals in Groningen

Karen Baker

279 St Helier Avenue, Morden, Surrey, SM4 6JL, UK
Royal Marsden Hospital/Institute of Cancer Research
Karen@enigma1.freereserve.co.uk

Dr Gunda Barth-Scalmani

Universitat Innsbruck, Institut für Geschichte, Innrain 52, A-6020 Innsbruck
History of Kinderspital in Salzburg
Gunda.barth-scalmani@uibk.ac.at

Ms Barbara Battel-Kirk

Lissadell, 68 Kingswood Avenue, Thorpe Marriot, Norwich, UK
History of health promotion/health education

Boutouyrie Scarlet Beauvalet

24/26 rue de l'Amiral Nouchez, 7504 Paris, France
Hospital care for children and mothers, quantitative aspects of medicine

Professor Jose Luis Iglesias Benavides

Servicio de Ginecología, Facultad de medicina. Universidad de Nuevo Leon, Av. Francisco I. Madero y Av Gonzalitos, Monterrey, Nuevo Leon, Mexico

Irena Benyovsky

Croatian Institute of History, Opaticka 10, Zagreb 10 000, Croatia
Urban history of Dalm towns in Middle Ages, Medieval hospitals and medical knowledge in South-Eastern Europe
irena@isp.hr

Arvie Bernal

Iloilo City, Philippines
arvie101@hotmail.com

Dr Amanda Berry

14 Belmont, Bath, BA1 5DZ, UK.
Provincial voluntary hospitals & professionalisation of medicine in 18th & early-19th century England; hospital finance & patronage

Carl Biber

317 Tyne Road, Louisville, KY 40207
healthcare facilities; patients; healing
carlbiber@catholichealth.net

Professor Nick Black

Health Services Research Unit, London School of Tropical Hygiene & Tropical Medicine, Keppel Street, London. WC1E 7HT
nick.black@lshtm.ac.uk
Application of the history of health care to contemporary policy debates

Hannekieke van der Boom

Maastricht University, Dept. of Medical Sociology, PO BOX 616, 620 MD Maastricht, The Netherlands
Comparative European and American history of hospitals since the Middle Ages, professionalisation of nursing in Europe, especially home care.
h.vanderBoom@ZW.UNIMAAS.NL

Dr Anne Borsay

University of Wales, Dept. of History, Lampeter, Ceredigion, SA48 7ED, UK.
Social history of health & welfare since 1700; study of General (later Mineral Water) Hospital, Bath in the long eighteenth century

Mrs Ann Bowtell

26 Sidney Road, Walton-on-Thames, Surrey, KT12 2NA, UK
Medieval hospitals, esp. those established by merchants; hospital of St. Mary's within Cripplegate
ann@annbowtell.free-online.co.uk

Prof. Dr. Badaoui Brahm

Université de Constantine, Cité Sakiet Sadi Youcef bt. 94 apt. 419, Constantine, 25000, Algeria.
Organisation et Gestion des Hôpitaux; Flux des Malades; Maintenance des Plateaux Techniques

Ms Catherine Braithwaite

8 Salisbury Road, Pointe Calire, Quebec, Canada. H9S 3Z1
The development and participation of women's charitable associations and benevolent groups within the growing hospital system during 19th century Quebec, Canada.
cbraith@netrover.com

E D J den Breejen

Mimosalaan 47, 5643 BL, Eindhoven, The Netherlands
Hospital interiors
daviddenbreejen@hetnet.nl

Reverend Alan Brown

School of Health Care Studies, Baines Wing, University of Leeds, PO Box 214, Leeds. LS2 9UT
Spirituality of nursing since 1948; socio-economic health reform and the associated growth in buildings
a.g.brown@leeds.ac.uk

Paul Brown

137 Norman Street, Stratford, ON N5A 5S1, USA
relationship of technology on hospital development
healthnext@cyg.net

Professor David Bryant

Suite 705B, St Vincent's Clinic, 438 Victoria Street, Darlinghurst, NSW 2010, Australia.
Medical practice and education at Ferrara between 1450 and 1550.
dbryant@stvincents.com.au

Professor Neithard Bulst

Universität Bielefeld, Fakultät für Geschichtswissenschaft und Philosophie, Postfach 100 131, 33501, Bielefeld, Germany.
Social history of plague; pesthouses; poor relief & social care in medieval & early-modern hospitals; leprosy
NBULST@Geschichte.Uni-Bielefeld.de

John Buder

PO Box 260161, University Station, Madison, Wisconsin 53726, USA.
smallpox hospitals and vaccination in 19th century America and UK

Tatjana Buklijas

Division for the History of Medicine, Croatian Academy of Sciences and Arts, Demetrova 18, 10 000 Zagreb, Croatia
Medieval and Renaissance hospitals on the Eastern Adriatic (Dalmatia and Dubrovnik)
Tatjana.buklijas@public.srce.hr

Rey Bugash

Department of Physical Medicine and Rehabilitation, Armed Forces of the Philippines Medical Centre V, Luna Road, Quezon City, Philippines
Hospital administration
reybugash@yahoo.com

Brian E Callan

37 Busseys Loke, Bradwell, Nr Great Yarmouth, Norfolk, NR31 8HG
Hospital development in Yarmouth

Alberto Cambrosio

Associate Professor, Social Studies of Medicine, McGill University, 3647 Peel Street, Montreal, Quebec, Canada, H3A 1X
History and sociology of biomedicine; “material culture” of biomedicine; development of laboratory and clinical practices (AIDS, etc)
Alberto.cambrosio@mcgill.ca

Monique Canuel

8551 Henri-Julien, Montreal, Qc, Canada, H2P 2J6
Environmental effects on disease
moniquecanuel@videotron.ca

Dr Alexandra Cecilia

Hospital history (all periods)
Alexcis_v@yahoo.com

Ms Chaojun

Hospital and healthcare design
markcoo@126.com

Sophia Chatzicocoli-Syrakou

Mitropoleos, 43 Veroia, 59100, Macedonia, Greece
Ancient healthcare centres in Greece (Asklepieia) and their healing environment
syrakoss@otenet.gr

Jeanne Graettrup Christensen

Institute of Preventive Medicine, Copenhagen University Hospital, Oster Farimagsgade 5A, opg. 23A, 1399 Kobenhavn K, Denmark

Kommune hospital, 1863-92
ic@ipm.hosp.dk

Professor David Clark

Dept. of Palliative Medicine, Royal Hallamshire Hospital, Glossop Rd, Sheffield, S10 2JF, UK
Hospices, terminal care and medical specialisation
d.clark@sheffield.ac.uk
