Three scholarships available, valued at £13,450 each

Applications to these scholarships are open to all international fee-paying students who:

- Hold an unconditional offer to an INTO UEA International Foundation pathway in:
 - General Science
 - Pharmacy, Biomedicine and Health
 - Physical Sciences and Mathematics
 - Mathematics and Actuarial Sciences
- And intend to progress onto a degree programme within the Faculty of Science at the University of East Anglia.

Eligible degree programmes for this scholarship include:

- MPharm Pharmacy
- BSc Biomedicine
- BSc Actuarial Sciences
- BSc Environmental Geography and Climate Change
- BSc Mathematics with Business

For full details of the wide range of eligible degree programmes, please visit <http://www.intohigher.com/uea>.

The International Foundation programme lasts for three terms and there are two start dates available: September 2013 and January 2014.

Successful completion of the International Foundation programme (subject to meeting the specified course requirements) leads to direct entry to Year 1 of an undergraduate degree course at the University of East Anglia.
