

DON'T GIVE THIEVES EASY RIDE ON YOUR B

REGISTER

Register your Bike at
www.immobilise.com

It only takes a minute and it is **FREE** of charge. All you need is your bikes make, model, frame or other identifying number.

The **red dots** indicate where you can find identifying numbers.

Once registered you will have a greater chance of getting it back if it is stolen.

This is because the Identifiers and your contact details are viewable on the Police national stolen property database system.

REUNITE

If your bike is recovered you will be contacted by the Police and given the appropriate recovery information.
