

# CURRICULUM VITAE

## PROFESSOR NEIL WARD

**Executive Dean of Faculty (Social Sciences), University of East Anglia**

### 1. PERSONAL INFORMATION

Address: Faculty of Social Sciences, University of East Anglia, Norwich, NR4 7TJ  
Contact Details: Tel: 01603-591-450 E-mail: neil.ward@uea.ac.uk;  
Personal Details: Date of Birth - 11/11/66

### 2. EMPLOYMENT HISTORY

2008- Executive Dean of Faculty (Social Sciences), University of East Anglia  
2004-2008 Director, Centre for Rural Economy and Professor of Rural & Regional Development, School of Agriculture, Food & Rural Development, Newcastle University  
2001-2004 Professor of Human Geography, School of Geography, Leeds University  
1995-2001 Lecturer (1995-99), Senior Lecturer (1999-01), Professor (2001), Department of Geography, Newcastle University  
1993-1995 Research Associate, Centre for Rural Economy, Department of Agricultural Economics & Food Marketing, Newcastle University  
1988-1992 Research Officer, Rural Studies Research Centre, Department of Geography, University College London

#### **Other Posts Held**

2003-2004 ESRC Social Science Advisor for the Rural Economy and Land Use Programme, Economic and Social Research Council  
1999 Civil Servant, Prime Minister's Performance and Innovation Unit, Cabinet Office

### 3. EDUCATIONAL QUALIFICATIONS

1994 Ph.D. — *Farming on the Treadmill: Agricultural Change and Pesticide Pollution* — Department of Geography, University College London (part-time)  
1988 BSc in Geography (First Class), University College London

## 4. ACADEMIC LEADERSHIP AND MANAGEMENT

### **The Role of the Executive Dean of Faculty of Social Sciences at the University of East Anglia**

The Dean of Social Sciences is one of four Executive Deans reporting directly to the Vice-Chancellor. The Dean has full devolved accountabilities for the leadership and management of the Faculty, with an annual income of approximately £43 million, and 280 academic and research staff, 50 support staff and 4,000 students (30% of whom are postgraduates). The Faculty includes six Schools: the Norwich Business School; the School of Economics; the School of Education & Lifelong Learning; the School of International Development; the School of Law; and the School of Social Work & Psychology.

### **Academic Leadership and Management in Previous Roles**

#### ***Research and Scholarship***

- An academic scholar of international standing, publishing extensively in the social sciences on agriculture, environment, food and rural development, and related topics (over 175 publications, including 50 international journal articles, and a Google Scholar citations count of over 1,200)
- A strong track record of winning research council and other funding (over £2.2m since 2000)
- Extensive experience of advising policy-makers, including the Prime Minister and several other ministers, and invitations to appear before seven Parliamentary Select Committee inquiries
- Two projects ('*Understanding Knowledge Controversies*' and '*Greening the Common Agricultural Policy*') feature as case studies in the Academy of Social Sciences showcase report *Making the Case for the Social Sciences: Sustainability, the Environment and Climate Change*
- Research project ('*Understanding Knowledge Controversies*') won the Rural Economy & Land Use Programme Award for innovative interdisciplinary methodology from 95 research projects involving 500 researchers (November 2011)

#### ***Research Leadership and Management***

- Director of an interdisciplinary research centre (2004-08) involving more than 50 university staff and doctoral researchers and annual research income of approximately £750,000
- Director of Research for School of Agriculture, Food & Rural Development (2006-08)
- Newcastle's Science, Agriculture & Engineering (SAGe) Faculty Research Committee (2006-08)
- Newcastle University's Research Committee (2007-08)
- Co-ordinator of Newcastle University Research Centre Directors' Network (2005-08)
- Committee member of the Association of Research Centres in the Social Sciences (2007-08)
- Leeds University's Education, Social Sciences & Law Faculty Research Committee (2001-04)

#### ***Academic Management***

- Newcastle University's SAGe Faculty Ethics Committee (2008), Promotions Committee (2004-08) and Appointments Board (appointing Heads of Schools and Deans) (2004-08)
- Executive Board of the School of Agriculture, Food & Rural Development (Newcastle University, 2005-08)
- Management Board, School of Geography (Leeds University, 2001-04)

#### ***External Relations and Regional Engagement***

- Extensive media and policy work nationally and regionally and in Europe
- Director of the Northern Rural Network — a learning and development network of 1,200 members from businesses, statutory agencies, local authorities and the voluntary sector across northern England (2004-08)
- Government Office for the North East's Academic Panel (2005-08)
- Regular advisor to various English Regional Development Agencies

#### ***Leadership Development***

- Leadership Foundation for Higher Education Top Management Programme (TMP 20) 2009-10

## **5. RESEARCH COUNCIL GRANTS AWARDED (as applicant/co-applicant)**

Understanding Environmental Knowledge Controversies (Mar 2007 – June 2010) An interdisciplinary project, funded under the UK Research Councils' Rural Economy and Land Use (RELU) Programme, to examine interdisciplinary means of understanding flood risk and land management, through a new approach to participatory science (with Professors S. Lane and S. Whatmore at the Universities of Durham and Oxford) (Award No. RES-227-25-0018, £920,000). Graded as "Outstanding".

Interdisciplinary Science on Diffuse Pollution (Aug 2004 – June 2005) A capacity-building project, funded under the RELU Programme, to examine interdisciplinary approaches to understanding diffuse pollution issues (with Professors L. Heathwaite, S. Lane and S. Whatmore at the Universities of Lancaster, Durham and Oxford) (Award No. RES-224-25-0003, £50,000).

ESRC Social Science Advisor on Rural Economy and Land Use (Mar 2003 – Feb 2004) An award, funded by the Economic and Social Research Council (ESRC), to assist in the development of the RELU Programme – a £25million cross-council programme involving the Natural Environment Research Council and the Biotechnology and Biological Sciences Research Council — to develop the research priorities, liaise with stakeholders and identify opportunities for interdisciplinary research (Award No. RES-224-34-2001, £65,000).

Manufacturing Meaning Along the Food Commodity Chain (Mar 2003 – April 2007) A study, funded by the Arts and Humanities Research Council and ESRC's Cultures of Consumption Programme, of the social, cultural and economic significance of food in Britain, employing life-history analysis with producers along the food commodity chain, supplemented by interviews with policy-makers, to assess the extent to which everyday food choices are shaped by wider institutional forces (with Professor P. Jackson, University of Sheffield) (Award No. RES-143-25-0026, £150,000).

Learning from the Foot and Mouth Disease Crisis (Nov 2001 – April 2002) A study, funded by the ESRC, of the management of the 2001 Foot and Mouth Disease crisis, and with co-funding from One North East and the North West Development Agency (with Professor P. Lowe, Newcastle University) (Award No. R-000-22-3758, £40,000).

## **6. OTHER RESEARCH GRANTS AND PROJECTS (as applicant or named co-applicant)**

The Northern Rural Network – Phase III (April 2008 – Mar 2011) A project, funded by One North East (£185,000) and the Northern Rock Foundation (£60,000) and Newcastle University (£87,000), to continue to develop a learning network to deliver a programme of Northern Rural Network events and conduct a survey of rural businesses in northern England (£330,000).

Structural Change in Agriculture and Rural Livelihoods (SCARLED) (Jan 2007 – Dec 2009) A project, funded by the European Commission Framework VI Programme, to assess agricultural adjustment and rural restructuring among new Member States of the European Union and learn lessons from past accessions, with the Leibniz Institute of Agricultural Development in Central and Eastern Europe, Germany (£70,000).

Foresight Analysis of Rural Areas of the EU (FARO-EU) (April 2009 – Dec 2009) A project, funded by the European Commission Framework VI Programme, to examine drivers of change in Europe's rural areas and the potential role of information and communication technologies in future rural development, with Alterra Research, Netherlands (£50,000).

Mentoring and Rural Delivery Among Local Authorities – Phase II (Sept 2005 – April 2007) A project, funded by the Office of the Deputy Prime Minister and Department for the Environment, Food and Rural Affairs, to facilitate and evaluate a rural development mentoring scheme between a range of local authorities (£25,000).

City Regions and Rural Areas in North East England (Feb – May 2005) A project, funded by One North East, to examine the relationships between city regions and rural areas in the North East region, in the context of the Northern Way Growth Strategy (£17,000).

New Rural Economy Project – Phase II (Oct 2004 – Sept 2007) A project, funded by the Northern Rock Foundation, to develop a learning network to deliver Northern Rural Network events (including workshops and short courses) and facilitate the placement of postgraduate students with rural businesses, community organisations and public agencies in the rural North (£125,000).

Mentoring and Rural Delivery Among Local Authorities (Mar 2004 – April 2005) A project, funded by the Office of the Deputy Prime Minister, to facilitate and evaluate a bespoke mentoring scheme between seven local authorities awarded ‘beacon’ status for their work on rural development (£25,000).

Rural Futures: Scenario Creation and Back-casting (Dec 2003 – Nov 2004) A project, funded by the Department for the Environment, Food and Rural Affairs under its ‘horizon scanning’ programme, to examine the drivers of rural change in England, develop scenarios, and examine the role of policy interventions in their evolution (with the Future Foundation) (£125,000).

Sub-Regional Foresight: Anticipating, Evaluating & Shaping Futures (Sept – Nov 2003) A project, funded by Lancashire West Partnership and the North West Development Agency, to develop sub-regional scenarios (with the Centre for Sustainable Urban and Regional Futures, University of Salford) (£35,000).

Rural Development: Strategic Options for Delivery (June – Oct 2003) A project, funded by One North East, to identify the strategic options for reform of rural delivery mechanisms in the light of Lord Haskins’ review for the Department for the Environment, Food & Rural Affairs (£25,000).

Europe’s Rural Futures: The Nature of Rural Development - Phase II (July 2001 – Dec 2002) A European study, funded by the World-Wide Fund for Nature (WWF) and the Land Use Policy Group of the British countryside agencies (LUPG), of the implementation of European Union rural development programmes in eight Member States (with the Institute for European Environmental Policy) (£150,000).

Regional Development Agencies and Rural Development (July – Aug 2001) A study, funded by the eight Regional Development Agencies (RDAs) of England, of current issues facing rural areas and suggested actions for RDAs (with Arup Economics and Planning) (£25,000).

The Nature of Rural Development - Phase I (May – Dec 2000) A study, funded by the WWF and LUPG, of approaches to rural development and land management in ten European countries (with the Institute for European Environmental Policy) (£85,000).

Government Objectives for England’s Rural Economies (Feb – Aug 1999) Cabinet Office-funded, six-month secondment to serve as the academic specialist on a project for the Prime Minister reviewing government policy for England’s rural economies (£20,000).

Integrating the Environment into European Rural Policy Reform (Oct 1998 – Jan 1999) A study funded by the Land Use Policy Group of the British countryside agencies of the arrangements for environmental protection in the context of the 1999 Common Agricultural Policy reform (£14,000).

The Economic Impact of Banning Hunting With Hounds (Jan – Mar 1998) International Fund for Animal Welfare-funded study of the competing claims about the economic impact of a ban on hunting with hounds (£11,000).

## **Selected Other Small Grants & Contracts Under £10,000 (as applicant/co-applicant)**

Innovation in Rural Areas (Sept – Dec 2007) A study, commissioned by the National Endowment for Science, Technology and the Arts (NESTA), of diversification and innovation in the land-based industries as part of a report on rural innovation for NESTA's programme on 'Making Innovative Places.'

Rural Proofing the North East Regional Economic Strategy (Sept – Nov 2005) Consultancy for One North East to advise on the treatment of rural areas and rural development in the drafting of the North East Regional Economic Strategy.

Rural Areas and Regional Competitiveness (June – Sept 2005) Consultancy for Local Government Rural Network to analyse the implications of the concept of 'competitiveness' for rural development policy and delivery in the light of the European Union's Lisbon Strategy.

PRELUDE – Prospective Land Use Scenarios for Europe (June 2004 – May 2005) Participation as an expert stakeholder in PRELUDE (Prospective Environmental Analysis of Land Use Developments in Europe) - a project for the European Environment Agency to develop a set of 30-year land use scenarios for Europe using an innovative approach that uses the imagination of knowledgeable stakeholders and underpins their ideas with state-of-the-art land use models.

Defining Rural Bradford (June – July 2003) Consultancy for the Bradford Metropolitan District Council to review methodologies for defining the rural parts of the District.

Mid-Term Review of the England Rural Development Programme (April – Nov 2003) Consultancy for ADAS (the Agricultural Development and Advisory Service) to assist with the evaluation of the England Rural Development Programme, funded by the Department for the Environment, Food & Rural Affairs.

Town-Country Connections in Yorkshire and the Humber Region (Feb – June 2003) A study funded by Government Office for Yorkshire & Humber and the Countryside Agency of initiatives aimed at strengthening connections between urban and rural businesses and communities.

Land Use and Uneven Development in Britain (Nov 2002 – Feb 2003) Consultancy for the Royal Society for the Arts to assist with the development of a project on future land use challenges in Britain.

Integrated Rural Development (Nov 2002 – Feb 2003) A study for the Centre for Rural Research at the Norwegian University of Science and Technology on current research on Integrated Rural Development.

Rural/Urban Interdependencies (Sept 2002 – May 2003) Consultancy for the Countryside Agency to provide advice and research support to the Chair of the 'Rural/Urban Interdependencies' Sub-Group of the Rural Affairs Forum for England.

The EU Rural Development Regulation in Scotland (June – Aug 2002) A study funded by the WWF of the implementation of the EU Rural Development Regulation in Scotland.

Flexibility in the England Rural Development Programme (April – June 2002) A study funded by the North West Development Agency of the implementation of the England Rural Development Programme in the North West region (with the Institute for European Environmental Policy).

The Future of Rural Land Use (Dec 2001 – Apr 2002) Consultancy for the Royal Society for the Arts (RSA) to assist with a project on the future of land use and serve as rapporteur for an RSA lecture series.

Rural Futures (Aug – Oct 2000) A study funded by a coalition of voluntary organisations (including Friends of the Earth, National Trust, Royal Society for the Protection of Birds, Small and Family Farms Alliance, Soil Association) of the challenges facing rural areas and policy in the light of current socio-economic and environmental trends.

English Regionalism: The Case of East Anglia (Dec 1999 – Dec 2000) A study (with John Tomaney, Centre for Urban and Regional Development Studies) funded by Newcastle University's Small Grants Scheme of regional identity, regionalism and governance in East Anglia.

Sustaining a Living Landscape: National Park Farm Survey (Oct 1998 – Dec 2000) A study funded by the Northumberland National Park Authority to manage a business and household survey of all farms in the National Park.

Visiting Research Fellowship, Centre for Rural Research, Trondheim (July – Aug 1998) Norwegian University of Science and Technology-funded one month Visiting Fellowship at the Centre for Rural Research to study the politics of rural and agricultural policy reform in Europe.

The Impact of the Agenda 2000 Proposals on Rural England (May 1998) A Rural Development Commission-funded study of the impact of the Agenda 2000 proposals on rural England, and the implications for reforms to the machinery of rural governance within the UK.

Participation in Rural Development in Europe (Feb – May 1997) Input into a project examining participatory approaches to rural development in different EU regions, funded by the European Foundation for the Improvement of Living and Working Conditions.

European Structural Funds and Rural Governance in the UK (Jan - Dec 1997) A small study (with Dr R. Woodward, Centre for Rural Economy) funded by Newcastle University's Institute for Urban and Rural Research of the operation of European Structural Funds (Objective 5b) rural development programmes in the UK, with particular emphasis on the Northern Uplands and East Anglia.

#### **Previous Research Projects (as Research Officer/Assistant)**

The Future Context for the Countryside Commission (Feb - Mar 1995) A project to examine the social, political, economic and technological trends likely to affect the work of the Countryside Commission over the period 1995-2010 funded by the Countryside Commission.

Integrating European Community Environmental Policy at the Local Level (April 1993 - Dec 1994) A study of the implementation of European environmental policy in five Member States, funded by the European Commission, with particular emphasis on directives protecting shellfish waters, bathing waters and drinking water.

Farm Pollution, Technological Change & Environmental Regulation (Oct 1989 - Dec 1992) A three-year study of technological change and farm business responses to the regulation of pollution from livestock effluents and pesticides, funded by the ESRC under the Joint Agriculture and Environment Programme.

Social and Economic Change in Upland Agriculture (Mar 1989 - Oct 1989) A study of farm business survival strategies, land occupancy and landscape change in the Peak and Lake District National Parks funded by the Leverhulme Trust.

The Social and Economic Restructuring of Rural Britain (Oct 1988-Mar 1989) A study of the corporate restructuring of Britain's agro-food system and land development industries as part of a three-year research programme on the restructuring of rural Britain under the ESRC's Countryside Change Initiative.

## 7. POSTGRADUATE SUPERVISION AND EXAMINING

### PhD Supervision

- Jack Wyebrown (*'Socio-Economic Factors Influencing Participation, Performance and Employability in Higher Education'*)
- Liz Charles (*'Community-Supported Agriculture and Food Chain Localisation'*) (ESRC CASE studentship, co-supervised with Frances Rowe, One North East).
- Sally Hewitt (*'Regionalisation and Rural Development in England'*) (Co-supervised with Dr N. Thompson) Awarded - 2011.
- Richard Lee (*'Standard-Setting and Scientific Expertise in the International Agri-Food System'*) (ESRC Studentship, Co-supervised with Dr Andrew Donaldson) Awarded - 2010.
- Gary Bosworth (*'Entrepreneurial In-Migrants and Economic Development in Rural England'*) (ESRC Studentship, Co-supervised with Dr Andrew Donaldson and Jeremy Phillipson) Awarded – 2008.
- Gemma Hobson (*'The Hidden Cost of Being Rural: Geographical Variations in Local Government Finance'*) (Co-supervised with Prof G. Clark, University of Leeds) Awarded - 2007.
- Nicola Thompson (*'Governing National Parks in a Devolving UK'*) Awarded - 2003.
- Lorna Dargan (*'Community Participation and Urban Regeneration: The Case of the New Deal for Communities'*) Awarded - 2002 (ESRC Studentship).
- Jenny Pickerill (*'Weaving a Green Web: Environmental Activists' Use of Computer Mediated Communication in Britain'*) Awarded - 2000. (ESRC Studentship, Co-supervised with Dr A. Bonnett).
- Geoff Vigar (*'The Politics of Paradigmatic Policy Change and the Greening of UK Transport Planning'*) Awarded - 2000.
- Kate McNicholas (*'Negotiating Development in Practice: Rural Community Development in Northern England'*).
- Peter Dyer (*'Space, Place and the Politics of the THORP Controversy'*) Awarded - 1999.

### PhD Examining

- Aisling Moroney (*'Effective Structures for Farmers' Markets in Ireland'*) University College Cork, Ireland, 2011.
- Izzy Warren-Smith (*'Women Entrepreneurs in the Rural Economy'*), Newcastle University, 2007.
- Kate Braithwaite (*'Women's Networks in Rural Development: A Comparative Study of Three European Localities'*), Newcastle University, 2006.
- Damian Maye (*'Making Connections in the Local Food Economy: Specialist Food and Drink Supply Chains in the Scottish-English Borders'*), University of Coventry, 2005 [External Examiner].
- Geoff Whitman (*'Environmental Knowledge and Policy Construction: The English Less Favoured Areas'*), Newcastle University, 2005.
- Craig Elliott (*'The Europeanisation of Rural Development in Hungary and Slovenia'*), Newcastle University, 2005.
- Patrick Snowdon (*'The Performance of Small Tourism Enterprises in Badeoch and Strathspey'*), University of Aberdeen, 2005 [External Examiner].
- Andrew Cattermole (*'The Role of the National Trust in Rural Development'*), Newcastle University, 2004.
- Tae Yeon Kim (*'Family Farm Models in Rural Development: The Case of the Northern Uplands Objective 5b Programme'*), [External Examiner] Newcastle University, 2003.
- Alexandra Franklin (*'Crisis, Restructuring and Regulation in Rural Britain: The New Policy Problematic'*), University of Cardiff, 2003 [External Examiner].
- Lynda Herbert-Cheshire (*'Governing Development: Discursive Practices of Self-Help in Contemporary Rural Australia'*), Central Queensland University, Australia, 2001 [External Examiner].
- Meri Juntti (*'Interpreting Agri-environmental Policy: A Comparative Analysis of Policy Implementation in Finland and the UK'*), Imperial College London, 2001 [External Examiner].
- Yong-Bum Kim (*'An Actor Network Analysis of UK Urban Fringe Management Models'*), University of Cardiff, 2001 [External Examiner].
- David Wood (*'The Hidden Geography of Transnational Surveillance: Social and Technological Networks Around Signals Intelligence Sites'*), Newcastle University, 2001.

### PhD Funding

Secured ESRC funding for four CASE PhD studentships in 2006 with One North East (two studentships), Age Concern England, and the Department for the Environment, Food and Rural Affairs (Veterinary Services Team) as partners and one in 2008 (with Northumberland Strategic Partnership).
