

This is the 5th National Conference on Mental Health and Older People to be held in Norwich. It is organised jointly by Norfolk & Waveney Mental Health Partnership NHS Trust, Norfolk Adult Social Services and the School of Social Work & Psychosocial Sciences, University of East Anglia.

The topics for this year's conference are focussed on the theme of Dementia Care. The aim of the day is to promote a positive approach to the provision of services for older people with mental health problems in line with the National Service Framework for Mental Health and the NSF for Older People.

The conference is aimed at professionals in health, social services, housing, voluntary and independent agencies, those in further/higher education and those who have a personal interest in caring for older people.

It will be of particular interest to planners and developers of services, managers and practitioners.

In this leaflet you will find details of the programme and information on how to apply. Confirmation of a place will be sent on receipt of payment. Places will be limited to 300.
