

RAPID RESPONSE, FELLOWSHIPS AND FACULTY FUND (QR GCRF AWARDS)

| Project ref. | Principal Investigator | Project Title | SDG | DAC nation |
|--------------|---|---|------------------------------|--|
| RR2017-1 | Jenni Barclay | Building Resilience | 10 | Dominica; Monserrat; Peru; Saint Vincent; Ecuador |
| RR2017-2A | Roger Few | Forced Displacement | 10 | Colombia |
| RR2017-2B | Roger Few | Building on the 'After Shock' momentum to develop future research proposals | 10 | Colombia, Ghana, Nepal, Dominica |
| RR2017-3A | Anne Haour | Coastal Heritage | 12 | Benin |
| RR2017-3B | Anne Haour | Medieval Maldives | 14 | Maldives |
| RR2017-4 | Peter Lloyd-Sherlock | Residential long-term care services for older people | 3 | Thailand |
| RR2017-5 | Adrian Martin | Activities to build research capacity to meet the challenge of environmental conflict in East Africa | 15 | Rwanda, Uganda |
| RR2017-6 | Wendy McMahon | Explosive transformations: Cultural resilience to natural hazard on St Vincent and Montserrat | | Saint Vincent and the Grenadines, Montserrat |
| RR2017-7 | Tom Shakespeare | Ex-combattants with disabilities | 10 | Colombia, Nepal, Uganda |
| RR2017-8 | Richard Stephenson | Open Lab Africa | 3 | Cameroon, DRC, Ghana, Kenya, Tanzania, Uganda |
| RR2017-9 | Arjan Verschoor | Insurance for small scale farmers in developing countries | 2 | Uganda |
| RR1018-8 | Christa Brunnschweiler (IMPACT) | Transparency and accountability in Ghana's oil and gas revenue management (IMPACT) | 10 12 | Ghana |
| RR1018-9 | Arjan Verschoor (IMPACT) | Developing new insurance products for smallholder farmers (IMPACT) | 8 10 | Uganda |
| RR1018-10 | Emma English (IMPACT) | Improving access to and quality of diagnostic testing for diabetes (IMPACT) | 3 | China |
| RR1018-1 | Gareth Edwards | Exploring Climate Justice in Resilient Cities: Workshop and Pilot Study | 13 | India |
| RR1018-2 | Lucio Esposito | Tackling poverty and inequalities on the basis of sound evidence | 1 10 3 4 5 16 | Colombia |
| RR1018-11 | Susan Conlon | Increasing engagement with place-based understandings of water and water scarcity in Peru | 6 | Peru |
| RR1018-4 | Jonathan Pattenden | The Politics of Informal Labour's Conditions in Asia and Latin America: Shaping Policy to Improve Implementation of SDG 8.8 | 8 | Peru, Indonesia, India |
| RR1018-3 | Teresa Armijos Burneo | From volcanic disaster to psychosocial recovery: art, storytelling and knowledge exchange between | 3 | Colombia, Guatemala |
| RR1018-6 | Lynn Dicks | Sustainable Fruit Farming in the Caatinga: managing ecosystem service trade-offs as agriculture intensifies (SUFICA). | 2 | Brazil |
| FE1018-1 | Zhu Liu (fellow: Pan He) | The change of environmental and health impacts of the dietary transition in global developing countries | 3 | China, India, Brazil, South Africa |
| FE1018-2 | G Richard Stephenson and Thomas Storr (fellow: Daniel Rycroft (fellow: Sayantan Dasgupta) | Joint UEA/University of Yaounde I study of anti-NTD natural products: chemistry & fragment synthesis | 3 | Cameroon |
| FE1018-3 | Daniel Rycroft (fellow: Sayantan Dasgupta) | Humanities in India: Redefining Pedagogy | 4 | India |
| RR0219-15 | Arjan Verschoor (IMPACT) | Promoting Agricultural Investment in Uganda (IMPACT) | 11 15 | Uganda |
| RR0219-16 | Adrian Martin (IMPACT) | Promoting and Monitoring just and equitable biodiversity conservation (IMPACT) | 11 13 10 | Bolivia |
| RR0219-17 | Max Bachmann (IMPACT) | Strengthening primary health care for long term conditions in low and middle income countries (IMPACT) | 3 | South Africa, Brazil |
| RR0219-2 | Arjan Verschoor | Helping farmers in Uganda avoid purchasing "fake seed" | 1 2 | Uganda |
| RR0219-3 | Adrian Martin | To provide funded places for 12 scholars and/or activists from the Global South at the Global Environmental Justice Conference in July 2019 at UEA | 13 15 | Philippines, Egypt, Brazil, China, India, Argentina, Kenya, South Africa, Mexico |
| RR0219-4 | Nitya Rao | Gendered Cultures and Climate Justice: Rethinking Smart Cities and Infrastructural Corridors in India (Activities: Workshop, Networking and Pump-Priming) | 11 13 | India |
| RR0219-5 | Mark Zeitoun | Capacity-building for Transboundary Water Cooperation (CBTBWC) (Towards the establishment of a Transboundary Water Training and Research Unit). | 6 | Jordan |
| RR0219-6 | Roger Few | Voices after disaster: narratives and representation following the Kerala floods of August 2018 | 11 | India |
| RR0219-8 | Johanna Forster | Future proofing Caribbean fisheries from hurricane impacts: linking fisheries resilience and disaster risk management in Dominica | 2 13 14 | Dominica |
| RR0219-9 | Avidan Kent | Decarbonisation pathways for Nigeria: Promoting sustainable RE-related foreign-direct investment | 7 13 | Nigeria |
| RR0219-10 | Diana Bell | Maximising impact of UEA-led GCRF interdisciplinary, evidence-based research into sustainable management of water catchment areas | 11 6 | Mexico, Indonesia, Peru, South Africa |
| RR0219-12 | Eneida Mioshi | UK and partner country (Brazil) workshop: Challenges in cognitive impairment and dementia: (mis) perceptions, (mis) diagnosis and care management | 3 | Brazil |
| RR0219-14 | Anne Haour | A castle built on sand: setting up a heritage resource for the Maldives to foster a sustainable tourist offer | 14 | Maldives |
| FE0219-1 | Teresa Armijos Burneo (fellow: Viviana Ramirez Loaiza) | Knowledge exchange for disaster risk reduction and peacebuilding in Colombia | 10 16 | Colombia |
| FE0219-2 | Dabo Guan (fellow: Zengkei Zhang) | Remapping embodied CO2 emissions in China's exports | 3 10 | China |

| | | | | |
|------------|---|--|----|--|
| | LEIGHA LINDSEY | | 13 | |
| FE0219-3 | Andrew Mayes (fellow: Yet Yin Hee) | Marine microplastics; measurement, monitoring and management in Malaysian ecosystems | 14 | Malaysia |
| FE0219-4 | Kevin Tyler & Leanne Stokes (fellow: Patrick Kobina Arthur) | Bioassay development for new NTD screening platforms (UEA / University of Ghana) | 1 | Ghana |
| | | | 3 | |
| FE0219-5 | Sheng Qi (fellow: Aditya Nayak) | Novel Prebiotic Sterilized Colloidal Delivery Systems For Probiotics | 17 | |
| FE0219-5 | Sheng Qi (fellow: Aditya Nayak) | Novel Prebiotic Sterilized Colloidal Delivery Systems For Probiotics | 3 | India, Pakistan |
| FE1018-4 | James Andow (fellow: Zenith Delabrida) | Moral Foundations and Environmental Values | 13 | Brazil |
| RR0619-1 | Cecile Jackson | Understanding gendered drop-out rates at schools in Uganda | 4 | Uganda |
| RR0619-3 | Maren Duvendack | ssDNAfrica – enhancing experience and potential of students in sub-Saharan Africa | 4 | Kenya, Uganda, Ghana |
| | | | 10 | |
| RR0619-4 | Anna Robinson-Pant | Family literacy and sustainable development: how can we build on indigenous intergenerational learning? | 17 | |
| RR0619-4 | Anna Robinson-Pant | Family literacy and sustainable development: how can we build on indigenous intergenerational learning? | 4 | Ethiopia, Malawi, Nepal, Philippines |
| | | | 5 | |
| RR0619-8 | Jenni Barclay and Teresa Armijos | Not just some pretty pictures: artistic interventions to generate knowledge of georisks | 10 | Montserrat, Ecuador, Turkey, Nepal, Kenya, St Vincent, Dominica |
| | | | 11 | |
| RR0619-6 | Ben Musgrave | Confronting the Indigo Giant: does the memory of Indigo Cultivation still haunt Bangladesh? | 4 | Bangladesh |
| | | | 1 | |
| | | | 2 | |
| | | | 3 | |
| | | | 8 | |
| RR0619-7 | Cecilia Rossi | Bridging Communities: The Role of Translators and Interpreters in the Process of Guaranteeing the Language Rights of Speakers of Indigenous Languages in Latin America. | 10 | Argentina, Colombia, Bolivia, Paraguay, Ecuador, Venezuela, Mexico |
| | | | 16 | |
| | | | 12 | |
| FE0619-2 | David Lea-Smith | Development of a bioprocess for converting hydrocarbon pollutants to high value compounds | 8 | South Africa |
| | | | 9 | |
| FE0619-1 | Benjamin Evans | Genetic characterization of carbapenem resistant Pseudomonas aeruginosa clinical isolates, towards a local policy on antibiotic use in Egypt. | 12 | |
| FE0619-1 | Benjamin Evans | Genetic characterization of carbapenem resistant Pseudomonas aeruginosa clinical isolates, towards a local policy on antibiotic use in Egypt. | 3 | Egypt |
| RRAD0819-1 | Susan Fairweather-Tait | Training workshop on dietary iron bioavailability | 3 | Nigeria, Ghana, Vietnam, Indonesia, Peru, Philippines, Thailand, Laos, India |
| RRAD1019-2 | Nitya Rao | Attaining Food and Nutrition Security through Community Literacy Interventions | 2 | India |
| | | | 5 | |
| RR1219-3 | David Lea-Smith | Development of an integrated anaerobic digester-photobioreactor for rapid growth of the edible nutritional supplement Spirulina | 3 | South Africa |
| RR1219-5 | Giles Foden | Building Bulago | 8 | Uganda, Tanzania, Kenya, Rwanda, Burundi, DRC |
| | | | 4 | |
| RR1219-9 | Roger Few | Inclusive and sustainable disaster recovery in India | 16 | |
| RR1219-10 | Chris Wingfield | Re-collecting the Missionary Road 2020: Developing a Dialogic and Decolonial field school on Heritage, Archaeology and Museums at Kuruman Moffat Mission with Sol Plaatje University, South Africa | 11 | India |
| | | | 4 | |
| RR1219-11 | Gareth Edwards | Advancing Climate Justice in India: the Movement from Below | 8 | South Africa |
| | | | 17 | |
| | | | 10 | |
| | | | 11 | |
| RR1219-11 | Gareth Edwards | Advancing Climate Justice in India: the Movement from Below | 12 | India |
| | | | 13 | |
| | | | 16 | |
| | | | 11 | |
| RR1219-12 | Ben D'Exelle | Boosting Recycling Behaviour Amongst Urban households in Peru - A Field Experiment on the Role of Trending Norms | 12 | Peru |
| RR1219-14 | Maria Isabel Santana | Intimate Partner Violence (IPV) and its effects on children's human capital formation | 5 | Dominican Republic |
| FE1219-2 | Cristian Dambros (host: Carlos Peres) | Defining biodiversity conservation strategies in managed tropical forest landscapes | 15 | Brazil |
| FE1219-1 | Wei Zhou (host: Oscar Hui) | Development of new reforming catalyst support and new microreactor via additive manufacturing for online hydrogen production in proton exchange membrane fuel cells applications | 7 | China |
| FF0419-1 | Martin Scott | The influence of news coverage on humanitarian donor's decision-making | 2 | Yemen, Chad, Afghanistan, Ethiopia, Mali, DRC, Mozambique, Syria, Haiti |
| FF0419-2 | Anna Robinson-Pant | Adult literacy and learning for sustainable development: International Workshop at Bahir Dar University, Ethiopia | 4 | Ethiopia, Nepal, Malawi, Afghanistan |
| | | | 5 | |
| FF0419-3 | Teresa Armijos Burneo | Weaving Memories: strengthening collaborations between communities and scientists around active volcanoes. | 3 | Ecuador |
| | | | 10 | |
| FF0419-4 | Yann Lebeau | #ALL4SocialChange PhD Webinar Series. Collaborative initiative for research capacity and capability building in the Global South | 3 | Ethiopia, Philippines, Nepal, Malawi, Egypt |
| | | | 4 | |
| | | | 5 | |
| FF0419-5 | Audrey Happleston | Building partnerships for postgraduate research training in Indonesia | 4 | Indonesia |
| FF0419-6 | Helen He | Habitat Analysis of Hippos in the Bui Park after the completion of the Bui Hydropower Project in | 7 | Ghana |
| FF0419-7 | Jenni Barclay | FLOW - a multi sensory model that links lived experience (cultural response) to sub-surface magma flow (scientific data). | 4 | Montserrat |
| FF0419-8 | Sheng Qi | Effective delivery technology for treatment and prevention of micronutrient deficiency in children in ODA countries. | 3 | Thailand |
| FF0419-9 | David Oram | A two city study of air quality in Vietnam | 11 | Vietnam |
| FF0419-10 | Justin O'Grady and Michael Strinden | Rapid sequencing-based TB diagnosis and drug susceptibility testing (DST) directly from sputum | 3 | Zambia |

| | | | | |
|-----------|------------------------|--|----|--------------|
| FF0419-11 | Susan Fairweather-Tait | BBSRC GCRF project (2019-2021) Evaluating iron and zinc bioavailability from biofortified potatoes to reduce malnutrition in the Andean highlands | 3 | Peru |
| FF0419-13 | Saber Sami | The role of Gum Arabic as a novel prebiotic for cardio-metabolic and cognitive health | 3 | The Sudan |
| | | | 8 | |
| | | | 9 | |
| | | 17 | | |
| FF0419-12 | Chris Wingfield | Recollecting the Missionary Road: Making Historic Images of the Kuruman Moffat Mission. Available | 4 | South Africa |
| FF0719-1 | Peter Lloyd-Sherlock | Extending influence of long term care (LTC) in Argentina | 3 | Argentina |
| FF0719-2 | Martin Scott | Supporting and studying the emerging media Freedom Coalition | 10 | Global South |
| | | | 16 | |
| FF0919-3 | Teresa Armijos Burneo | Conference attendance to present UEA research internationally | | Colombia |
| FF1119-4 | Roger Few | Bridging communities and agencies post-disaster in Kerala | 1 | India |
| | | | 13 | |
| | | | 17 | |
| | | | 11 | |
| FF1119-5 | David Girling | Who owns the story? Subject agency and image making in the NGO sector. | 10 | Kenya |
| FF0120-7 | Paul Hunter | Integrating UEA into the Beacon Project through participation in a partnership development workshop for Improved Water, Sanitation and Hygiene (WaSH) in Lahan | 6 | Nepal |
