Dear Professor Kassim,

I am writing to you on behalf of Professor Martin Barker, Chair of the General Research Ethics Committee, in response to your submission of an application for ethical approval for your study 'The European Commission: Facing the Future'.

Having considered the information that you have provided in your correspondence Professor Barker has asked me to tell you that your study has been approved on behalf of the Committee.

You should let us know if there are any significant changes to the proposal which raise any further ethical issues.

Please let us have a brief final report to confirm the research has been completed.

Yours sincerely
