

University of East Anglia – ClinPsyD Programme Supervisor Placement Feedback Form

This form is intended to ensure that supervisors have an opportunity to provide feedback to UEA about placement issues and concerns that are not specific to the evaluation of a specific trainee, and hence are not captured in the supervisor's evaluation of competency form. This form should be returned to the Senior Clinical Tutor, advisor, PGR office, or Programme Director at UEA, depending on the nature of feedback reported. The feedback may include comments on the process of placement organization or evaluation, or comments about processes that will help us improve our practice.
There is no requirement for the supervisor to complete this form.

Your name:

Placement details/location:

Supervisor's Feedback

Please use this box to provide us with any relevant qualitative feedback

Thank you for completing the form!

Please return this to UEA via clinpsyd@uea.ac.uk who will send this to the appropriate person
