

University of East Anglia – ClinPsyD Programme Trainee Placement Feedback Form

This form is intended to ensure that trainees have an opportunity to provide feedback of the adequacy of placements and supervision. Completion of this form is not mandatory, reflecting the expectation that trainees would raise specific issues and concerns identified in placement at the time they were identified. However the form may be used to document unresolved concerns or issues, general points of feedback about the overall placement process, or to reflect back any particularly positive experiences, or indeed any other matters that the trainee wishes to feedback to the course. Please return all forms directly to the Senior Clinical Tutor, and your advisor if appropriate.

Supervision

Did you receive an appropriate quantity of supervision? (1 hour per week minimum - 90 minutes recommended; 3 hours informal 'availability' of contact)

Please provide any comments on the supervision you received:

Placement Practicalities

Please use this box to comment/feedback on any practical aspects of the placement, e.g. parking/access; office space/IT equipment; location; community visits, etc.

Access to Developmental Opportunities Relevant to Stage of Training

Please use this box to comment on your experience of developmental opportunities relevant to the current stage of training, particularly the exposure to an appropriate breadth and depth of opportunities to develop relevant clinical competencies.

Anything Else?

Please use this box to feed back anything else about your experience on this placement.

Thank you for completing the form!
Please return this to the Senior Clinical Tutor and your Advisor.
