

Please check your e:Vision timetable for all teaching sessions. Please view this calendar online for the latest version, in case of changes.

For Years 1-2: Block teaching is Monday-Friday. Outside Block, teaching is on Tuesdays. **For Year 2:** Tuesdays outside terms are study days.
For Year 3: Block teaching is Monday–Thursday (Block 5) and Tuesday-Thursday (Block 6); ‘Academic Days’ are only for Individualised Training and Development Plans (ITDPs), two key teaching sessions (‘Preparing for the Viva’ and ‘The Transition to Qualified Status’) and Programme Team Liaison meetings, not thesis research; suggested research supervision and advisor meeting dates are timetabled, but trainees may also reschedule these on study days. **All Years:** In bold you will find the dates of Formative and Summative Assessments and Minimum Placement Days.
Attendance is mandatory for: all teaching days, Oral Case Presentation Examinations (‘Orals’), Objective Structured Clinical Examinations (OSCEs), the August Teaching Day, the Research Conference and ClinPsyD Interviews. Attending and contributing to the Open Day is optional and counted as a placement day. On the day of submitting a Recorded Process Report (RPR) in place of Orals, the remainder of the day should be taken as a study day.
