

ROADWORKS FROM MONDAY 3rd JUNE

If travelling to one of our UEA events, you should be aware of the following roadworks which may add extra time onto your journey...

Getting here

We have two entrances to our campus – one on Earlham Road and one on Bluebell road.

ROADWORKS

There will be roadworks on the Fiveways roundabout on Earlham Road, blocking access to Bluebell road from this direction.

Both our entrances remain open but the Bluebell road entrance will only be accessible from the direction of the A11 or the Avenues – not via the Fiveways roundabout.

If getting to us:

Via Earlham Road – Earlham road will be OPEN in both directions and you can access our Earlham road entrance. **Expect delays as there will be extra traffic.**

Via A11 – Come off the A11 onto Newmarket road. Turn right onto Colney Lane. Turn left onto Newmarket Road. Continue onto Eaton Street. At the junction after Waitrose, turn left onto Bluebell road and follow the road until you reach the UEA entrance on your left.
