Take a trip to the stunning Norfolk coastline and discover miles of sandy beaches and world-famous nature reserves. Then enjoy traditional fish and chips at the seaside.

Round up a few friends and go boating on the Norfolk Broads. Get a taste for rural life with country walks. Visit the unspoilt medieval villages and stately homes dotted around Norfolk.

CAMPUS LIFE
An inspiring place to live and study, our campus is fully equipped with everything you need to get the most out of your time with us.

GREEN SPACE
Our campus is set in 200 hectares of parkland, with all the green space you need for sports, barbecues, lake walks or relaxing with a good book.

SPORTSPARK UEA
Sportspark is one of the biggest indoor university sports centres in Britain, and it covers plenty of sporting interests. You can swim in the Olympic-sized pool, play badminton and go rock climbing. Then there’s the fully equipped gymnastics centre, the martial arts and dance studio, and the state-of-the-art gym. Not to mention the outdoor facilities, which include an eight-lane athletics track, floodlit hockey and football pitches and tennis and squash courts.

FOOD AND DRINK
Whatever your tastes and dietary needs, you can grab a delicious bite to eat on campus. We’ve got plenty of options – from cafes and restaurants to the UEA Students’ Union bar.

SAINSBURY CENTRE
Designed by Norman Foster, the Sainsbury Centre is home to the renowned Robert and Lisa Sainsbury Collection and houses art from around the world. Best of all, it’s free to students.

THE SQUARE AND THE STREET
The Square is in the hub of our campus, with an open and sociable space where you can relax after class. Next to The Square you’ll find The Street. It’s home to essentials like the laundrette, bookshop, ATMs, Barclays bank and The Shop – a grocery store and Post Office with a range of food, drink and toiletries.
A SPACE OF YOUR OWN

Our accommodation is in the heart of campus, designed around the needs of students like you. During your stay, you’ll have a private room with en suite bathroom and a shared kitchen and communal space. You’ll live alongside 6 to 13 of your fellow summer study students, so you can get to know people from day one. Plus you’re never more than 15 minutes away from anywhere you need to be on campus.

Accommodation comes guaranteed with your place on our summer study programme so, when you enrol, you don’t need to worry about applying for it. And you can be sure you’ll have a safe and comfortable place to live.
