MODULE - 40% PASS ON AGGREGATE

Module Type: Examination with Coursework or Project

Timetable Slot:AUT: F2\, A1/\*F1\, G1\ SPR: F2\, G2/\*E1\, E1/

Exam Paper(hrs):2 Exam Period:SPR-02

Do you want more practice in Spanish? Do you need help with your pronunciation? Do you feel you lack sufficient vocabulary to express yourself well? Do you want to discover and discuss contemporary aspects of Spain and Latin America? This year long module offers you the opportunity to further develop your speaking, listening, reading and writing skills at a higher level in Spanish. Participation will be in classroom-based activities, joining Post A Level 2 students for some seminars, and often working in pairs and groups exchanging ideas and supporting each other in your exploration of the language. During your studies you will: - build up linguistic proficiency, cultural knowledge and learning skills, explore different aspects of Spain and Latin America, from general topics to current affairs and issues of the Hispanic world. - improve the ease of communicating ideas through increased fluency, breadth of vocabulary and accuracy of oral expression in Spanish. - be able to focus on improving aspects of your pronunciation and grammar as well as expanding your vocabulary. - gain a greater understanding of contemporary Spanish issues through topics such as los movimientos nacionalistas, la crisis española or la identidad latinoamericana. By the end of this module you will be able to communicate with some fluency and spontaneity, express yourself in Spanish more confidently orally, and take an active part in discussions relating to current Spanish and Latin-American issues. You will be more able to read complex texts and write more accurately with fewer grammar errors and greater range of expression, as well as translate extended English and Spanish texts. Such language support will also build up your intercultural and transferable competences.
