### What is a scholarship?

A scholarship is an award or payment made to support a student's education, awarded on the basis of academic or other achievement. UEA's Postgraduate Scholarships may be awarded as a cash incentive or fee discount.

### What scholarships do these terms and conditions apply to?

1. 50% Final Year Undergraduate Continuation Scholarship
2. Alumni Tuition Fee Discount Scheme
3. Donor-funded scholarships
4. International Postgraduate Taught Scholarships

### About these terms

For UEA's Student General Terms and Conditions please refer to: <https://portal.uea.ac.uk/academic-calendar/general-regulations>

If successful, you will be registered and enrolled with us as a full-time or part-time postgraduate student for a credit-bearing postgraduate programme under our Degree Regulations set out in the University Calendar. You must abide by our Charter, Statutes, Ordinances, Regulations and Policies in force.

We may make changes to these Terms from time to time and the version that is applicable to you will be those that were in force at the date of your application with us.

If you wish to decline a scholarship offer from us prior to registering at the University please email [admissions@uea.ac.uk](mailto:admissions@uea.ac.uk). We will then withdraw our scholarship offer and confirm this in writing. Any offer of a place on one of our courses would not be affected.

Please note that until a Scholarship is applied to your student account in accordance with these Terms, you remain liable to pay your full tuition and other fees to us in accordance with our General Regulations on Fees, Charges and Expenses and must be able to meet all of your costs without relying on the Discount. Once a Scholarship is applied to your student account in accordance with these Terms, you remain liable to pay your full tuition and other fees to us in accordance with our General Regulations on Fees, Charges and Expenses and must be able to meet all of your costs without relying on the Discount.

### Removal of a Scholarship

We may remove the Discount placed on your account immediately in the event that:

- You are expelled, suspended or excluded from the whole or part of the University or your programme of study for academic failure; or

- We are of the reasonable opinion that you have made any misrepresentation (whether negligently or intentionally) to us either in respect of applying for the Scholarship or during the course of and in connection with your studies at the University; or
- We are of the reasonable opinion that you have acted fraudulently or dishonestly in connection with securing your Scholarship or place at the University.
- In addition to requiring repayment, we may also take such action against you as is permitted under our Student Disciplinary Procedures or Fitness to Study Policy which are set out and available from the University Calendar at [www.uea.ac.uk/calendar](http://www.uea.ac.uk/calendar) In the event of an intercalation, any payments will be suspended until you return and progress to the next stage of your course.

Donor-Funded scholarships will be withdrawn if you fail to:

- Attend the required events (both the Scholars' Welcome Reception and Scholarships Reception events) or fail to provide the Development Office with communications for your donor when requested.
- Demonstrate satisfactory commitment to, or do not progress satisfactorily with your studies. Donor-Funded scholars are expected to maintain strong attendance records and perform at strong academic standard.
- Remain in good financial standing with the University. Scholarship instalments may not be paid if you have overdue tuition or accommodation charges.
- Inform the Development Office that you are receiving another scholarship or other form of funding.

### **Repayment of the Scholarship**

In the event that your Scholarship is removed, you will be liable to pay us your full tuition fees and therefore reimburse us the monetary amount equating to your Discount, immediately on demand.

If we have made an error in calculating your Scholarship and as a result you have received an additional discount to which you were not entitled, we may request that you repay us the amount overpaid and you will be liable to repay it to us within 30 days of our demand.

In addition to any other rights we may have at law to take action against you for recovery or repayment of the amount equating to the Scholarship, the amount so outstanding will be treated by us as a sum due to us and, in accordance with our General Regulations on Fees and Charges, may mean that you will not be awarded your degree until you have made payment to us as requested.

### **Marketing and Promotion**

You may be required, to make yourself available on reasonable notice, for any publicity and marketing campaigns we want to run in connection with the Scholarship scheme, which may include but not be limited to public appearances, speeches, photographs, blogging and/tweeting or interviews.

For Donor-Funded scholarships you must attend two mandatory events during your first year of receiving the scholarship. The Scholars Welcome Reception event will be held in October/November and the Scholarships Reception will be held in the Spring. You may also be required to meet your donor at a separate, mutually convenient time.

For Donor-Funded Scholarships you must also consent to completing tasks set by the Development Office, including but not limited to: completing a donor thank-you letter, providing annual updates and sending a graduation photo, in a timely manner. You are expected to inform the Development Office of any contact with the donor other than that arranged by the University.

### **How We May Use Your Personal Information**

We will use the personal information you provide to us to process your enrolment and administer the Scholarship scheme. We will retain all documents we receive in connection with the Scholarship scheme along with your other student records in accordance with our Data Protection Policy: [www.uea.ac.uk/is/strategies/infregs/dp](http://www.uea.ac.uk/is/strategies/infregs/dp)

Where external donors are involved in the scholarship awarding process, you must consent to sharing all details included on your application to the scholarship with the donor. You will be asked to confirm your consent on application. Failure to do so may result in your application being withdrawn. In signing the Scholarship Agreement, you consent to the Development Office sharing your name, course of study and UEA email address with the donor.

Once you are enrolled at UEA, the University will contact you using your University student email account. It is your responsibility to check this account regularly for important information regarding payment of your Scholarship, and any other requests relating to the Scholarships scheme.

### **50% Final Year Undergraduate Continuation Scholarship**

#### **The Discount Scheme**

We have complete discretion to decide how long we will make this Discount scheme available for, for what period of time the Discount scheme will operate and may withdraw the Discount scheme at any time and without further notice.

We may cease offering the Discount scheme at any time and in our complete discretion.

A Discount will not automatically be applied to your account even if you meet the Eligibility Criteria. You must request it as part of accepting your offer to study. If you do not complete a request at this stage you will lose your chance to apply for it in subsequent academic years.

The maximum period that an annual Discount will be applied to your account for a specific postgraduate programme is three years (36 months) for full-time students or six years (72 months) for part-time students.

If you change your mode of study, the Fees Officer will amend your account as set out in these Terms.

#### **Eligibility Criteria**

You are eligible for a Discount under these Terms if you meet all these criteria:

- You are and will remain self-funded for the duration of an Eligible Programme; and
- At the time you enrol on an Eligible Programme (as set out below) you have achieved a first class or starred first class undergraduate degree from the University of East Anglia and
- You proceed immediately to a Masters programme or the first year of a Doctorate programme. Here, immediately means that your postgraduate programme start date is within six months of the date of your graduation from UEA.

#### **Eligible Programmes**

Except with regards to the courses set out below, Discounts may be offered by us in respect of credit-bearing postgraduate taught programmes awarded by us.

We will not offer Discounts to you if you will be studying for the PGCE qualification, MBA qualification, any of our foundation, pre-Masters or postgraduate diploma programmes.

#### **Variation of the Discount**

We will unilaterally reconcile your student account and vary the amount of the Discount applied to your account, so that the Discount you actually receive never equates to more than fifty percent of the actual tuition fees payable by you for that academic year if we receive information suggesting that your anticipated tuition fee (on which the Discount was initially calculated) for that academic year is expected to change or has changed, for reasons including but not limited to:-

- (a) where you receive a refund in accordance with our then existing Postgraduate Tuition Fees Refund Policy,
- (b) a change in your mode of study;

- (c) where you cease to be registered with us for any reason, including if you have withdrawn from your studies or your studies have been terminated earlier than the expected completion date;
- (d) where you change your programme of study;
- (e) where you take a period of intercalation from your programme of study;
- (f) you cease to meet the Eligibility Criteria and from that date; or
- (g) You fail to progress satisfactorily on your programme of study and from a date we reasonably determine.

In any of these situations and depending on your facts, you may be liable to make additional payments to us for your tuition fees or the actual monetary value of the Discount you receive from us may increase.

### **The Process**

If you meet the Eligibility Criteria and would like to be considered for a Discount, you must tick the relevant check box on the online offer acceptance form to signify your intention to apply for the Discount.

You must provide us with relevant details of your UEA qualification as part of the application process. If you do not provide us with the required information for application of the Discount when prompted, or provide us with incomplete or incorrect information, we will not be able to process your Discount application further.

We will aim to process your request for the Discount in a timely manner, once you have provided the relevant documents showing your UEA qualification and provided you meet our Eligibility Criteria.

Provided we are satisfied that you meet our Eligibility Criteria we will apply the Discount to your student account. No cash alternative will be given.

If we are of the reasonable view that you do not meet our Eligibility Criteria we will ask you to provide us with such proof as we deem necessary to make this assessment. You must supply us with the requested evidence as soon as reasonably possible.

If we are satisfied with the proof provided we will apply the Discount to your student account as set out. However, if we remain of the view that you still do not meet our Eligibility Criteria, we will advise you of this in writing. You will still meet our requirements for entry into your chosen programme of study but in this instance will be liable to pay all of your fees without the benefit of the Discount.

### **Donor-Fund Scholarship Process**

Scholarship Eligibility Criteria and how to apply for all Donor-Funded Scholarships can be found on our scholarships webpages <https://www.uea.ac.uk/study/postgraduate/scholarships>.

If you meet the Eligibility Criteria and would like to be considered for a Scholarship, you must complete the scholarship application form by the deadline given (if it is stated that a scholarship

application is required). In cases where the website states that a scholarship application is not required, you will only be considered for the scholarship if you have submitted your UEA postgraduate study application by the deadline specified on the website.

If you do not provide us with the required information for application of the Scholarship when prompted, or if you provide us with incomplete or incorrect information, we will not be able to process your Scholarship application further.

We will aim to process all applications for the Scholarship in a timely manner, once you have provided the relevant information regarding the scholarship and provided they meet our Eligibility Criteria.

If we are of the reasonable view that you do not meet our Eligibility Criteria and you wish to appeal we will ask you to provide us with such proof as we deem necessary to make a new assessment. You must supply us with the requested evidence as soon as reasonably possible.

Each scholarship's availability is dependent on the generosity of the donor and on available funds. As such, we may withdraw the availability of Scholarships at any time up until a formal scholarship offer is made to a recipient.

We reserve the right to adjust scholarship eligibility criteria up until the application deadline, provided the change(s) do not make applications already submitted ineligible or disadvantage them in any way.

The approximate values of postgraduate Donor-Funded Scholarships are advertised on our website (<https://www.uea.ac.uk/study/postgraduate/scholarships>) and the final amount awarded confirmed in writing at point of scholarship offer.

### **Donor-funded scholarship selection and awarding**

We aim to award all scholarships in a timely manner though we are unable to confirm the exact date on which a scholarship will be awarded. The timing of decisions may also vary between scholarships.

The recipient(s) of each Donor-Funded Scholarship will be decided by an appointed Scholarship Panel.

If no candidate is judged to be of sufficient merit by the Scholarship Selection Panel, Scholarships will not be awarded.

No person will be awarded the same Donor-Funded Scholarship more than once.

Provided we are satisfied that you meet our Eligibility Criteria, and you are chosen by the Scholarship Panel as the preferred recipient, you will receive your scholarship offer via email and in the post.

To confirm your acceptance of our Scholarship Offer you must sign and return your Scholarship Agreement Form by the given deadline. The Development Office reserves the right to withdraw the offer of a Scholarship if it is not accepted by the given deadline.

It is your responsibility to inform the Development Office of any other scholarship or tuition fee reduction which you are offered by UEA, as it is not possible to hold some UEA scholarships with a Donor-Funded Scholarship. Where both a Donor-Fund Scholarship has been offered by the Development Office and a UEA Scholarship has been offered by the Admissions Office you may be asked to choose which award you wish to receive.

Receipt of your Scholarship is subject to your completion of the University registration process by the given deadline.

Depending on the particulars of the Scholarship your award may either be deducted directly from your tuition fee charges by the University's Finance Office or received as a maintenance grant payment direct to your bank account. This will be confirmed in your Scholarship Agreement.

Where you are receiving your Scholarship as a maintenance grant this will be paid in nine monthly instalments from October – June each academic year or as confirmed in your Scholarship Agreement.

It is your responsibility to ensure that any change in bank account details is advised to the University. If you plan to change your course, intercalate or withdraw from your course, you are expected to inform both the University and the Development Office as soon as possible as this could affect your eligibility for the scholarship.

Part-time students should understand that any support given will be proportional to tuition fees charged (where applicable) and will be spread pro-rata throughout the duration of the course.

## Appendix 4

### **International Postgraduate Taught Scholarships**

#### **About the International Postgraduate Taught Scholarship Scheme**

The award and the payment of a deposit are not interchangeable - international students are still required to pay a deposit by the deadline, unless they hold a full scholarship in which case their deposit will be waived.

The scholarship awarded will be exclusive and students cannot receive another UEA award as well. Where applicants are offered a second UEA scholarship, the scholarship worth the greater financial sum will be awarded only.

If an applicant defers their entry onto the course to a following year, then the scholarship award will be removed. The applicant may be considered again the following year, but any award cannot be guaranteed.

Scholarship holders agree upon request to complete a UEA new students' survey, attend any international scholarship awardees events, write a student testimonial whilst studying and write a career profile testimonial one year after graduation, and agree that testimonials and photographs can be used in UEA publicity material.

#### **Eligibility Criteria**

The scholarship applies to overseas international fee payers only. Any change in fee status changes from Overseas to Home/EU Fees will result in the scholarship being discontinued.

Scholarship applicants must hold either a 'conditional' or 'unconditional' offer for a postgraduate taught programme at UEA commencing in September in order to be considered for a scholarship.

Country specific awards require applicants to be a national of or usually domiciled in that country upon application to a degree course at UEA.

Students sponsored for full tuition fees by an outside body or government organisation will not be eligible for this scholarship. However, students applying for, or expecting to receive, government loans are eligible to apply.

Additional postgraduate scholarships that UEA may offer in conjunction with another organisation e.g. Fulbright and Marshall US scholarships, British Council Great China and India scholarships, will be subject to the specific terms and conditions as determined and made available by those organisations from whom the scholarship will be offered through.

#### **Eligible programmes**

International Postgraduate Scholarships are available for all Postgraduate Taught, full-time degree courses of one-year duration that start in September with the exception of courses offered in the Faculty of Health and Medicine.

The scholarship is offered for a specified course; there is no guarantee that the scholarship will be transferred to an alternative course but this can be considered on request.

### **The Process**

Country specific scholarships are awarded automatically after an offer has been made to study on a postgraduate taught course. There is no separate deadline to accept these scholarships, but applicants will still be required to pay the international student deposit by the deadline specified.

Vice-Chancellor Excellence Scholarships are by application only and will be judged by a panel of academic and international office staff. These scholarship offers must be accepted within 8 weeks of offer via accepting the offer of a place on the course of choice and by paying the international student deposit. Where applicants fail to do this, UEA reserves the right to remove the offer of scholarship and offer to another candidate.

The award shall be made as a tuition fee scholarship, meaning that fees will be reduced by the amount specified. No cheque or payment shall be made directly to the student. Scholarship holders remain liable for paying any remaining tuition fees to UEA.
