

Professor Laura Emma Camfield – Curriculum vitae

Profile

- 21 years international research experience using qualitative and quantitative methods
- Full engagement in the life of research groups and their host departments
- Active participant in academic networks, strong record of publication and presentation
- Experience in applying anthropology to complex problems in interdisciplinary environments

Contact details

+44(0)1603 591885 (office)
L.Camfield@uea.ac.uk

Research interests

- Using qualitative and mixed methods approaches in research on poverty and evaluation
- Exploring, measuring and understanding subjective well-being in developing countries
- Children and young people

Country experience

(In order of duration):
UK, Ethiopia, Thailand, Vietnam, Pakistan, Andhra Pradesh (India), Bangladesh, Uganda, South Africa, Kenya, Mozambique, Peru

Employment

2010–	University of East Anglia, School of International Development <i>Professor in Development Research and Evaluation</i>	<ul style="list-style-type: none">▶ Leading research and evaluation programmes, supervising research students, teaching and advising on research methods▶ Postgraduate Research Director 2013 –▶ School Chair Ethics Committee 2011 –▶ SenSS DTP Pathway Chair 2015 -
2007–10	University of Oxford, Dept. of International Development, Young Lives <i>Research Fellow / Senior Researcher</i>	<ul style="list-style-type: none">▶ Responsible for qualitative research within <i>Young Lives</i>, an international study of childhood poverty▶ Leading on research on well-being and the integration of qualitative and quantitative data collection and analysis▶ Running a mixed methods study of 600+ schools in YL sites▶ Managing four international qualitative research partners and additional external consultants, including coordinating fieldwork, supervising data processing and analysis, monitoring and reviewing expenditure, and organising production and dissemination of research outputs. Member of the project's strategic management group.▶ Representing <i>Young Lives</i> at relevant events, developing relationships with external collaborators, and acting as an internal resource, including training staff in research methods.
2007–13	University of Bath, Centre for Development Studies <i>Visiting Research Fellow</i>	<ul style="list-style-type: none">▶ Disseminating research (e.g. co-author of a book on well-being in Thailand) and advising on subjective well-being▶ Member of Editorial board for WeD working paper series and Editor of <i>WeD Research Review</i>.
2002-07	University of Bath, Well-being in Developing Countries ESRC Research Group <i>Research Fellow / Thailand Research Coordinator</i>	<ul style="list-style-type: none">▶ Led research on subjective quality of life, including conducting exploratory fieldwork in four countries, developing and validating measures (e.g. satisfaction with valued goals).▶ <i>Thailand Research Coordinator</i>: Managed the activities of two university research centres with a permanent staff of 23 (plus 20 research assistants, and seven postgraduate students), and an annual budget of US\$128,000. Specific responsibilities included coordinating fieldwork, supervising data processing, management and analysis, monitoring and reviewing expenditure, and organising the production and dissemination of research outputs.

1996-02	University of London, Institute of Neurology	
1999-02	<i>Administrator (p/t)</i>	
1999	<i>Research Officer (p/t)</i>	<ul style="list-style-type: none"> ▶ Provided admin support to NMR Research Unit during PhD ▶ Reviewed technical literature and analysed qualitative and quantitative data from the first field test of Multiple Sclerosis-specific quality of life measure. Administered second field test.
1996-99	<i>Research Officer / Administrator (p/t)</i>	<ul style="list-style-type: none"> ▶ Coordinated a multi-centre European study of quality of life in dystonia, which involved developing a questionnaire, supervising translation and back-translation into five languages, analysing data and producing papers for publication. ▶ Organised an epidemiological study of dystonia in 14 European centres and collected UK data. Role included liaison, budget handling, event management, research and analysis.
1997-99	British Medical Association Foundation for AIDS <i>Information Officer (p/t)</i>	<ul style="list-style-type: none"> ▶ Responsibilities included drafting briefings, organising conferences, maintaining database and website, managing finances, and fundraising. Produced report on development of standards in HIV care and facilitated two workshops on treatment and care of HIV positive prisoners.
1997-98	Female Prisoners Welfare Project <i>Researcher (p/t)</i>	<ul style="list-style-type: none"> ▶ Produced report on situation of female foreign nationals in four UK prisons. Subsequently conducted a participatory assessment of healthcare needs for the EU funded Solidarity Project.
1996	Health Promotion Wales <i>Researcher</i>	<ul style="list-style-type: none"> ▶ Conducted training needs analysis of 100 public, private and voluntary organisations to calculate the market for HPW training services. Assessed the ability of HPW to provide them.
1995	Aga Khan Rural Support Programme (Northern Pakistan) <i>Researcher</i>	<ul style="list-style-type: none"> ▶ Used participatory methods to explore who was benefiting from AKRSP projects in four regions, evaluated and redesigned the female adult literacy programme, conducted training needs assessment of field staff and clients and produced menu of courses in coordination with section and field heads.

Education

2010-2012	University of East Anglia	Diploma in Higher Education Practice
1998-2002	Goldsmiths College, University of London	PhD Anthropology (ESRC-funded): Measuring quality of life in dystonia
1996-1998	School of Oriental and African Studies, University of London	MA Social Anthropology of Development
1991-1994	Magdalen College University of Oxford	BA (Hons.) Modern History

Skills

- **Research, teaching and supervision**
- **Computing:** Experienced user of MS Office (Excel, Access, Word, Outlook), SPSS, Stata, NVivo, Atlas, fsQCA, Endnote, Ref. Manager, online databases and search engines
- **Languages:** Proficient Italian; reading comprehension of Spanish and French.

Professional activities

Teaching

- UEA – convening and teaching social and evaluation research modules for postgraduates and undergraduates, co-directing short courses on research in evaluation and gender, bespoke training in generating and analysing data from research and evaluation (e.g. World Fish, 2012-, DFID, 2014)
- Acting as an internal and external examiner for doctoral and masters-level theses
- Developing and teaching a workshop on Statistics for Anthropologists, Cambridge University (2011-), initiating a masters-level module on 'Children, Young People and Development' for QeH, Oxford University (2009-2011), giving occasional lectures on international development and research methods at Bath, QeH and UEA
- Training staff in research methods and data analysis in WeD and *Young Lives*

Supervision

I have supervised 24 masters and nine doctoral students to completion, and am currently supervising two doctorates:

– *Current*

- Claudia Linan Segura, 2015 'Aspirations and expectations amongst Mexican Youth: The role of educational and labour policies in the transition out of high-school' (co-supervisor Maria Abranches)
- Stephanie Shankland, 2016 'What is the role of social metrics in how aid institutions leverage private sector (MNC) resources for social impact and poverty reduction?' (co-supervisor Maren Duvendack)

– *Completed*

- Jomkwan Yothasamut, 2012-2016 'Understanding of socio-cultural factors that influence childhood obesity among pre-schoolers in Bangkok Metropolitan' (co-supervisor Michael Pfeil)
- Will Monteith, 2012-2016 'The composition and function of politics in a historical marketplace in Kampala, Uganda' (co-supervisor Ben Jones)
- Sonja Marzi, 2012-2016 'Young Colombians' Aspirations in Cartagena de Indias: Navigating Spaces and Futures' (co-supervisor Esther Priyadarshini)
- Carole White, 2011-2015 'Social resilience and place identity in the small-scale "Cromer Crab" fishery, North Norfolk, UK.' (co-supervisor Catherine Locke)
- Dabesaki Mac-Ikemenjima, 2010-2015 'Exploring a mixed methods approach towards the development of a new measure of quality of life of Nigerian students' (co-supervisor Lucio Esposito)
- Kate Orkin 2009-2015 'Non-schooling factors influencing children's time allocation to work, school enrolment, grade attainment and test scores' (co-supervisor Stefan Dercon)
- Kaneta Choudhury (p/t) 2006-2015 'Quality of life in Bangladesh: an exploration of people's goals, values and resources' (co-supervisor Joe Devine)
- Hannah Hoechner 2010-2014 'The educational experience of Almajirai in Kano, Nigeria' (co-supervisor Raufu Mustapha)
- Bethlehem Tekola 2005-2009 'Making Sense of Childhood Poverty: Perceptions and Daily Experiences of Poor Children in Addis Ababa, Ethiopia' (co-supervisor Chris Griffin)
- Faith Martin 2004-2007 'Investigating What Is Important To Quality Of Life: Validating The "Global Person Generated Index" In Northeast Thailand' (co-supervisor Karen Rodham)

Professional recognition (selected examples)

- Senior Fellow Higher Education Academy (2016-)
- Associate editor, European Journal of Development Research (2012-)
- Co-editor, Anthropology, Change and Development book series, Palgrave Macmillan (2012-)
- Associate editor of Applied Quality of Life Research (2010-) and the Springer Handbooks of Quality of Life Research series (2009-14)
- VP for Education and Training and UK ExCo member, European Association of Research and Training Institutes; Co-opted member of the Development Studies Association Council (2014-)
- Executive Board Member of the International Society for Quality of Life Studies (VP-External Affairs 2007-8; VP-Publications 2009-14). Track chair at biennial conferences from 2006 onwards
- Academic member of advisory committees (e.g. ESRC Framework for Research Ethics, BBC Global Media Action) and in quality assurance role for ongoing evaluations (e.g. N. Nigeria Child grant)
- Reviewer for journals and publishers, including Development and Change, Journal of Human Development, Journal of Development Studies, Social Indicators Research, Social Science and Medicine, Journal of Happiness Studies, and Children and Society.
- Reviewer of grant proposals and reports for the Economic and Social Research Council (2006-) and other bodies (e.g. ESPA, EC, Norwegian Research Council). Senior College member, ESRC Peer Review College (2012-)

Research grants and contracts

- Principal Investigator, ESRC-DFID Evidence Research Synthesis Award for Research methods (£30,000, 2014-5)
- UEA Research Support Fund: Inputs to the Centre for Development Impact (£15,000, 2014-5); 'As well as the subject: new dimensions in research ethics' panel and seminar series (£12,575, 2010-11)
- Principal Investigator, ESRC Comparative Cross-National Research Methods, 'Developing and refining methods for comparative cross-national research on poverty and vulnerability: Drawing on Young Lives' and WeD's experiences', £280,039 (2010-15)
- ESRC Social Science Week, organising participatory events with school children, £4,000 (2005)
- WeD Parliamentary Launch, £3,000 (2004)
- Joint holder of a Wellcome Trust Sci-Art grant for "Seeing How We See" £10,000 (2002-03)

- British Academy conference grants 2003, 2004 and 2006
- ESRC PhD studentship (1999-02)

Consultancy

Current research and evaluation contracts include Gender and Adolescence: Global Evidence (2015-2024), Adaptation at Scale in Semi-Arid Regions (2014-18), West Africa Food Markets Pilot Programme (2015-19), Nigerian Child Development Grant (2015-17), Samarth-Nepal Market Development Programme (NMDP) (2017-).

Publications

In my co-authored papers writing is usually equally shared, however, I have starred where I contributed the majority of the text

Conferences

- **Penn State/ National Science Foundation** (Washington, Winter 2016) - Invited participant in ‘Qualitative research ethics in an era of big data’ workshop
- **Development Studies Association** (Oxford, Autumn 2016) – Co-organised panel on ‘Gender, work and welfare’
- **ULB** (Brussels, Spring 2016) – Invited speaker, presented “I had a five years plan and now it ends in 2024’ : social (im)mobilities among young entrepreneurs in Kampala’
- **EDUCO First International Conference** (Madrid, Autumn 2015) - Invited speaker and member of Academic Committee, presented ‘Child wellbeing and the relational impact of poverty’
- **UEL** (London, Autumn 2015) – Ran discussion on student publication
- **Development Studies Association** (Bath, Autumn 2015) – Co-organised panel on ‘Beyond surveys and experiments - other approaches to impact evaluation’

- **Exploring Global Well-Being of Children and Youth** (Berlin, summer 2015) – invited speaker, presented ‘Evaluating Child Well-being – Exploring the Theoretical Underpinning of Different Approaches’
- **Rethinking development** (London, summer 2015) - Co-organised DSA workshop
- **Wellbeing in Developing Countries** (Reading, spring 2015) – invited speaker, presented ‘Paradigm wars or paradigm peace? Reflections on taking a mixed methods approach to researching wellbeing’
- **R&I Evaluation Methodologies Expert Workshop** (Brussels, winter 2014) – invited speaker, presented ‘Process Tracing and Contribution Analysis’
- **Right or Wrong? What values inform modern impact evaluation?** (London, winter 2014) - Co-organised workshop on ethics in impact evaluation
- **Does poverty drive violence against children?** (London, winter 2014) – invited discussant
- **Development Studies Association** (London, autumn 2014) – presented ‘Research design in international development: examples from the ESRC-DFID Joint Scheme’ and chaired panel on children and young people
- **ISS Development Dialogues** (Hague, autumn 2014) – invited speaker, ‘Meet the editors’ panel
- **2nd Manchester Impact Evaluation Workshop** (Manchester, autumn 2014) - invited speaker, presented ‘Ethics in Evaluation’
- **British Council International Research Fellows workshop** (London, summer 2014) – invited speaker, networking
- **European Association for Social Anthropology** (Tallinn, summer 2014) – presented ‘Character matters’ – how do measures of non-cognitive skills shape understandings of social mobility in the global North and South?’
- **European Association for Development Research and Training** (Bonn, summer 2014) – presented ‘Economics of non-cognitive skills: a Ugandan example’ and convened four panels on multidimensional poverty and one panel on young people and inequality
- **The Oxford Handbook of Africa and Economics Workshop** (Beijing, winter 2013) – presented ‘The economics of non-cognitive skills.’
- **NCRM Autumn school on international and comparative research** (Southampton, autumn 2013) – invited speaker, presented ‘Subjective wellbeing in developing countries’
- **Development Studies Association** (Birmingham, autumn 2013) – convened panels on ‘Power of Evidence on Multi-dimensional Poverty and Poverty Dynamics’ and ‘Mixed methods research for poverty and vulnerability’
- **Enquiring into Wellbeing** symposium (Bath, autumn 2013) – presented ‘Mixed methods enquiries into wellbeing: three examples and countless questions’
- **Mixed methods research for poverty and vulnerability** (co-organiser) (London, summer 2013) – presented ‘Youth entrepreneurship in urban Africa: What is the role of non-cognitive skills and are we measuring the right ones?’
- **Entrepreneurship and Employment in the Global South** (Copenhagen, summer 2013) – presented ‘Growing up in Ethiopia and Andhra Pradesh: the impact of social protection schemes on girls’ roles and responsibilities’.
- **International Rescue Committee** (London, spring 2013) – invited speaker, presented ‘From harm to home: How can wellbeing measures capture the relational and perceptual dimensions of wellbeing, as well as the objective?’
- **Institute for Development Studies/ ITAD** (Brighton, spring 2013) – invited speaker, presented ‘Qualitative Strategies for Ensuring Rigour and Reliability’
- **Development Studies Association** (London, autumn 2012) – presented ‘Universal Truths and Hidden Realities: Chronic poverty in rural Ethiopia’
- **International Society for Quality of Life Studies** (Venice, autumn 2012) – presented ‘Household trajectories in rural Ethiopia – what can a mixed method approach tell us about the impact of poverty on children?’
- **Apples and oranges: Practicing Comparison** (London, autumn 2012) – presented ‘Measuring children’s social and cultural competencies in developing countries’
- **Vivir bien con un enfoque de género, generacional e intercultural** (Bolivia, summer 2012, virtual participant) – invited speaker, presented ‘Child poverty and wellbeing in rural Ethiopia’.
- **Migration, (Social) Reproduction and Social Protection** (London, spring 2012) - presented ‘Growing up in Ethiopia and Andhra Pradesh – how is increasing female participation in social protection schemes affecting girls’ roles and responsibilities?’
- **Ecosystem Services for Poverty Alleviation (ESPA) workshop** (Oxford, autumn 2011) - invited speaker, presented on ‘Mixed methods for poverty measurement’
- **International Society for Quality of Life Research** (Denver, autumn 2011) – keynote speaker, presented on ‘Poverty, inequality, and well-being’

- **European Association of Development Research and Training Institutes – Development Studies Association** (York, autumn 2011) - co-chaired panel on 'As well as the subject: Additional Dimensions in Development Research Ethics', presented 'Household Trajectories in Rural Ethiopia – What Can a Mixed Method Approach Tell us About the Impact of Poverty on Children?'
- **Centre for Social Protection Conference** (Brighton, spring 2011) – presented 'Security, productivity and "social equity"? A community-level exploration of tensions within the Mahatma Gandhi National Rural Employment Guarantee Scheme'
- **Human Capabilities and Development Association Education group** (Cambridge, spring 2011) – presented 'Children's social capital: Can it be measured? Should we even try?'
- **Development Studies Association** (London, autumn 2010) - co-chaired panel on 'Young lives in transition: From school to adulthood?', presented 'Keeping both eyes open': Taking a systematic mixed methods approach to young people's pathways through schooling.
- **Chronic Poverty Research Centre International Conference** (Manchester, autumn 2010) - presented "Those Households Lead their Lives well because of the Aid": a small n case-based analysis of the Ethiopian Productive Safety Net Programme.
- **Development Studies Association** (Ulster, autumn 2009) - co-chaired panel on Children and Young People in a Changing World, presented "Stew without bread or bread without stew": Children's understandings of poverty in Ethiopia.
- **International Society of Quality of Life Studies** (Florence, summer 2009) - chaired track on Qualitative methods, presented papers on children's understandings of poverty in Ethiopian communities and using case studies to explore children's resilience in urban Ethiopia
- **Multidimensional measures of poverty, Oxford Poverty and Human Development Initiative**, (Oxford, summer 2009) - discussant
- **First International Conference on Educational Research for Development** (Addis Ababa, spring 2009) - presented "'A girl never finishes her journey": Mixing methods to understand female experiences of education in contemporary Ethiopia'
- **Young Lives International Conference** (Oxford, spring 2009) - presented 'Exploring resilience among older children in urban Ethiopia: a case-based approach'
- **Centre for the Study of African Economies** (Oxford, spring 2009) - presented "'Unable to get what her friends have - even if she learns, she doesn't understand properly". Children's understandings of ill-being and poverty in five Ethiopian communities'
- **Poverty, Education, and Health in China** (Oxford, autumn 2008) - discussant
- **UNU-WIDER Conference: Frontiers of Poverty Analysis** (Helsinki, autumn 2008) - presented 'Cultures of Aspiration and Poverty: Aspirational Inequalities in Thailand'
- **Development Studies Association** (London, autumn 2008) - presented 'Children's Well-being in Poverty Research: A Literature Review'
- **Global Challenges Symposium, Young Lives** (Oxford, autumn 2008) - discussant
- **Human Capabilities Development Association** (Delhi, summer 2008) - presented "'Good for children?" Local understandings versus universal prescriptions: Evidence from three Ethiopian communities'
- **Centre for the Study of Childhood and Youth** (Sheffield, summer 2008) - presented 'What does 'well-being' mean to children? Evidence from communities in Ethiopia'
- **International Childhood and Youth Research Network** (Cyprus, spring 2008) - presented "'Children with a good life have to have school bags": Diverse understandings of well-being among older children in three Ethiopian communities'
- **British Academy 'expert roundtable' on studying social change** (Manchester, spring 2008) - panel member, presented 'Integrating qualitative and quantitative methods in researching children's experiences'
- **International Society of Quality of Life Studies** (San Diego, winter 2007) - chaired track on Qualitative Methods, presented papers on participatory methods with children and adapting individualised measures for use in developing countries
- **Psychology of well-being** (Open University, summer 2007) - plenary speaker: 'Measuring the immeasurable: social and cultural construction of wellbeing in developing countries'; panel member
- **Public Policy Development Office** (Bangkok, summer 2007) - presented two papers on perceptions of needs and the relationship between wealth and need fulfilment in Thailand
- **Wellbeing in International Development** (Bath, summer 2007) - plenary speaker, chaired track on Wellbeing, quality of life and subjectivities, presented two papers on perceptions of needs and adapting individualised measures for use in developing countries
- **Inaugural workshop, Oxford Poverty and Human Development Initiative** (Oxford, spring 2007) - discussant

- **UNU-WIDER Conference: Advancing Health Equity** (Helsinki, autumn 2006) - presented 'Universal coverage but unequal outcomes? An exploration of factors affecting the use of health services, and the impact of sustained ill health in Northeast and South Thailand'
- **International Society of Quality of Life Studies** (Grahamstown, summer 2006) - chaired track on Developing and transition country issues, presented 'Universal coverage but unequal outcomes? An exploration of factors affecting the use of health services, and the impact of sustained ill health in Northeast and South Thailand'
- **Social Policy Association** (Bath, summer 2005) - presented 'The Why and How of Understanding 'Subjective' Wellbeing: Exploratory work by the WeD group in four developing countries'
- **Rethinking development: Local pathways to global well-being** (Nova Scotia, summer 2005) - presented 'Rethinking development: Developing the WeD-QoL'
- **Pathways to Resilience** (Nova Scotia, summer 2005) - presented "Happiness is everything, or is it? Obstacles on the road to researching subjective wellbeing'
- **International Society of Quality of Life Studies** (Philadelphia, autumn 2004) - presented 'Living well or living badly: Do national and local 'experts' agree?'
- **Medical Anthropology at Home** (Perugia, autumn 2003) - presented 'Encounters with medicine: Derek's story'
- **Development Studies Association** (Strathclyde, autumn 2003) - presented 'Using subjective measures of wellbeing in developing countries'
- **Critical Psychology** (Bath, summer 2003) - presented 'Disabling language? The case of the World Health Organisation's International Classification of Impairment, Disease and Handicap'
- **International Society of Quality of Life Studies** (Frankfurt, summer 2003) - presented 'Exploring the relationship between wellbeing, subjective wellbeing, and "subjective" quality of life'
- **Second Tampere conference on Narratives: Narrative, Ideology and Myth** (Tampere, summer 2003) - presented 'Accounting for dystonia: Derek's story'
- **Narrative, memory and identity** (Hull, spring 2003) - presented 'Accounting for dystonia: Personalising illness through narrative'
- **European Association of Social Anthropologists** (Copenhagen, summer 2002) - presented 'Quality of life: Discourses of power and voices of resistance'
- **Movement Disorders** (Barcelona, summer 2000) - presenter, poster
- **Social Aspects of HIV and AIDS** (London, summer 1999) - presenter
