

Congregation Hall Reception

Sign in in Congregation Hall.

You will be allocated to one of the meet and greet roles until 11:30am (please look at the other documents on our webpage).

At 11:30am, you will be based in the foyer of Congregation Hall at a desk with another student guide, answering any visitor's queries. We will provide you with programmes for all subjects so you know where visitors need to go if you get any questions.

One of you needs to remain at the desk at all times but the other guide can walk visitors to various locations across campus.

If you get any questions that you can't answer, you can call us on 01603 593251.

At 14:30, sign out in in Congregation Hall with members of the Events Team.

We hope you enjoy working with us!
