Thank you very much for sending all relevant documentation. I am pleased to confirm that the project is now registered with the NHS Grampian Research & Development Office. The project now has R & D Management Permission to proceed locally. This is based on the documents received from yourself and the relevant Approvals being in place.

All research with an NHS element is subject to the Research Governance Framework for Health and Community Care (2006, 2nd edition), and as Chief or Principal Investigator you should be fully committed to your responsibilities associated with this.

R&D Permission is granted on condition that:

- 1) **The R&D Office will be notified and any relevant documents forwarded to us if any of the following occur:**
 - **Any Serious Breaches in Grampian (Please forward to pharmaco@abdn.ac.uk).**
 - **A change of Principal Investigator in Grampian or Chief Investigator.**
 - **Any change to funding or any additional funding**
- 2) **The R&D Office will be notified when the study ends.**
- 3) **The Sponsor will notify all amendments to the relevant National Co-ordinating centre. For single centre studies, amendments should be notified to the R&D office directly.**

We hope the project goes well, and if you need any help or advice relating to your R&D Management Permission, please do not hesitate to contact the office.

Yours sincerely
