

Your webpage which covers an independent review of the CRU emails was brought to my attention today.

Do you have rules for submissions, deadlines, formats, ect.

Tom Fuller and I have written a book covering the mails in detail. Our UK Publisher Philip Foster is on this mail.

We would be pleased to submit a copy of the book to you. In addition, there is more material that we and others could make available to you so that you can understand the issues at play and better place the story in a proper context.

Best regards,

Steven Mosher
