The Newsletter of the UEA Retirement Association

No. 66

June 2022

INTRODUCTION.

Although the Executive Committee has decided that Renaissance will concentrate on future events and, therefore, any reports on past events will be very brief, it is worth noting that activities on offer to members are now back to pre-Covid levels.

Since the February edition of Renaissance four talks have been held at the Costessey Centre, six walks led in Norfolk and Suffolk, Hoveton Hall House and Gardens visited, five books discussed by the Book Group, three pub lunches arranged, games afternoons enjoyed, concerts attended and meetings on most months of the art, film and knit and natter groups.

Please do support events whenever you can.

As stated in the previous newsletter membership numbers are unfortunately gradually declining. If you know someone who is eligible, a former colleague at UEA or the Research Park, please encourage them to join us and help the Association continue to thrive.

Sadly, we report the death earlier this year of Pat Piner who, prior to her retirement from UEA, was manager of the General Office and reception services in the Registry. Pat was a Founder and Life Member of the UEA Retirement Association.

Acting Chair

ANNUAL GENERAL MEETING

The 22nd Annual General Meeting of the Retirement Association will take place before the talk “ A Basque Journey” by Gary Smith on

**Tuesday 28 June 2022 at 2.00 pm
in the Costessey Centre, Longwater Lane, Costessey.**

The agenda and a sheet for nominations of officers can be found at the end of this newsletter.

Note from Treasurer

BACS Payments: As we have set up internet banking to access UEARA Bank Accounts I am now able to accept payments by Bank Transfer as well as by cheque or cash. Should you wish to make payments in this way in the future the UEARA account details are as follows:

Account Name: U E A Retirement Association

Sort Code: 20-62-53

Account No: 70487589

Please note that there are spaces between the U and E and A. This is important when typing in the name the first time as UK Banks carry out name checks to prevent fraud (called Confirmation of Payee) and if the spaces are omitted it will not be able to match the name.

WALKS

There are both short walks of 2 to 3 miles and longer walks of around 5 miles, but occasionally longer. Typically our walks attract between about 12 and 25 members. Longer walks held since the last edition of Renaissance have been at Chedgrave and Loddon, Thurne and Oby, at Horstead and Coltishall, around Minsmere and Dunwich and at Honingham. Shorter walks have also been held around Earlham Cemetery and at Mulbarton .

All walks start at **10.30am** (unless otherwise stated) but please arrive at the meeting place by at least 10.15am, especially if a pub lunch is planned in case we have to pre-order food. Car sharing would be appreciated. Walking boots or sturdy shoes are recommended.

Places on the walks must be booked by contacting the walk leader via email or telephone, by the deadline date shown. Please ensure emails contain your name, contact telephone number, number of places and, where appropriate, the number of lunches required. This is particularly important for walks with pub lunches so that the managers may reserve appropriate space for us. Please note that there may be limited numbers for some pub lunches, and these will be allocated on a strictly ‘first come first served’ basis (so it pays to contact the walk leader as early as possible!).

These walks, and all other sporting and leisure activities, have inherent hazards associated with them. In spite of the safety of members of each walk being of paramount concern to its leader/leaders, accidents will occasionally occur. It is important therefore that, before taking part in any of our walks, every member appreciates that they each have an individual responsibility to be aware of possible hazards, and will each be expected to take all reasonable steps to minimise any potential for an accident to occur.

i.e. each walker takes part at his/her own risk.

Picnic Walk - East of Sheringham, inland and coast

Leader: Janice Darch

Tel: 07796 932595

Email: janicedarch@gmail.com

Deadline for receipt of confirmation: **Monday 11 July**

The walk will be approximately 8.5 miles. Beeston Common can be muddy at any time of year so gaiters and boots are recommended. The climbs up and down Stone and Ingleborough Hills are short and sharp.

Meet at the car park at The Plains off A1082 (the main road into Sheringham). The car park is opposite the 30mph sign on the right-hand side of the road in the woods if you are driving towards north, towards the sea.

We will walk eastwards through the woods skirting south of Sheringham, Beeston Regis and West Runton with ascents of Stone Hill and Ingleborough Hill for superb views east and west along the coast. Either of these hills is lovely for a coffee stop. We will then drop down to East Runton. If the tide is low we will walk along the sandy beach to West Runton where there is a cafe, toilets and places to sit for lunch. If the tide is high we will proceed along the cliff top path. After lunch our path will follow the coastal footpath to the base of Beeston Bump where we will cut back in land via Beeston Priory to Beeston Common and then back through the woods to the car park.

Deadline for the receipt of emails or telephone calls: **Monday 1 August 2022**

This is a walk of just over 5 miles with no stiles starting at Rockland Staithe car park. The walk follows the Wherryman's Way, alongside Rockland Broad and river Yare until the Beauchamp Arms. From here we walk away from the river to Claxton and after a short stretch alongside the road we head up a wide track until we reach St. Andrews church. From here we curve back to Rockland along small lanes and footpaths arriving back at Rockland Staithe.

The New Inn pub opposite the staithe serves lunches and refreshments. If you would like to have lunch at the pub, please indicate when booking your place on the walk so that we can reserve tables. For those that wish to picnic there is a grassy area and benches adjacent to the staithe.

Please arrive at 10.15, ready for a 10.30 start.

Tuesday 13 September

Upton, near Acle

Leader: Anne Guyon

Tel: 07950 680303 (text preferred)

Email: akguyon@gmail.com

Expressions of interest by Tuesday 30th August. Deadline for confirmation **Tuesday 6 September.**

The outline plan for this walk is a circular 4.5 mile walk from Upton Staithe through fields and water meadows and

along the River Bure. It is based on one which can be found on the Norfolk Wildlife Trust website. We will skirt Upton Fen with the option to explore the fen if we wish to. The walk can be very muddy and may be subject to change depending on the conditions underfoot. Final details will be provided nearer the time.

There is an option for lunch at the White Horse Pub in Upton. The pub will need menu choices in advance. I will send menus out to those who are interested a couple of weeks ahead.

Parking will be at Upton Staithe as it is limited at the pub, although we may be able to move cars at the end of the walk for those staying for lunch, either at the pub or the nearby Village Hall.

Please arrive by 10.15 for a 10.30 start.

This will be a walk of around 5 miles about the village of North Elmham. The bulk of the walk will be along the (disused) railway line taking in the chapel on the site of an earlier Anglo Saxon cathedral and the County School. This despite its name is a disused railway station which we reach by walking along the remains of railway line. As some of this part of the walk parallels the Wensum there might be changes if there is flooding.

We will meet at the Kings Head at 10.00 in time to leave by 10.30 and return there for lunch.

The address of the Kings Head is 2 Holt Rd, North Elmham, Dereham NR20 5JB

Coming from Norwich on the A140, at the Long Stratton traffic lights, turn right into Swan Lane and then immediately left into the car park.

When you contact me to come on the walk, I will tell you about my recommended places for lunch after the walk. Firstbus route 36 leaves Castle Meadow (stop CV) at 09.45 and arrives at Long Stratton Swan Inn at 10.17.

The National Garden Scheme (NGS) describes Manor Farm as a 3 acre country garden set in a larger estate. There are several small garden rooms with both formal and informal planting. There is plenty to see, including a walled kitchen garden, climbing roses and classic herbaceous and shrub borders. There are also large areas of wildflowers and a collection of sculptures, including a large study of Peter Pan which is particularly stunning. Regarding accessibility, there is wheelchair access, some gravel paths and steps.
